listen 'runt' - she's mine!

... and this is how Saul looks today

Saul New York "MR. PERFECT PHYSIQUE"

And this is how Saul looks today. Yes, it really did happen. Saul New York was once a skinny 99 lb. 'runt'. He was bullied, pushed around and laughed at...

How about YOU? Are you fed up with seeing other well-built guys walk off with the best of everything while you are forced to stand aside and only watch?

YOU have the same muscles...

No matter who you are... YOU have exactly the same number of muscles as Saul New York. The only difference lies in the way he developed his muscles and you may have neglected yours!

Hercules II gives you REAL muscles fast!

Let us prove that we can give you the kind of super-build and vital strength that needn't take "back talk" from anyone. Hercules II is a fantastic 'revolutionary new secret' muscle-building course that can give you the kind of Super Body you always wanted. Fat or thin, young or not so young, you really can 'Muscle-Up' with these secrets. No special apparatus needed and only a few minutes a day in the privacy of your room does it!

Think about it!

Imagine walking down your neighbourhood beach, or swimming area... S-T-R-I-P-P-E-D. What would others think of your huge, sweeping, deeply muscled chest? How about your 'barn door' back, etched with powerful muscles like the rocky mountains? And those titanic, tireless legs which bounce into beautifully, shaped curves of defined muscle with every stride.

Or your 'yard wide' manly shoulders? Your narrow hips, your rock hard stomach muscles that can 'take' any punch when you tense them? But most of all imagine how your arm will look! Just hanging by your side it looks great, but for a real 'experience' just flex for a buddy and watch his eyes boggle... He will hardly believe the high-peaked Biceps... your 'steel tough' forearms... and your rippling He-man strength...

All you have to do...

Simply fill in the enclosed coupon like Saul New York did not so very long ago. Mail it and we will send you absolutely free our famous picture-book detailing how you can get started with Hercules II.

Make something of yourself by grabbing this opportunity. **TODAY - NOW!**

THE WORLD'S DEADLIEST FIGHTING SECRETS CAN BE YOURS...

THE SUPREME GRAND MASTER OF THE
BLACK DRAGON FIGHTING SOCIETY
brings you the forbidden secrets of

DIM MAK

"The Death Touch"
in this exclusive book!

"THE DEADLIEST MAN ALIVE!"

Bringing to you these forbidden and secret fighting arts is the Supreme Grand Master of all the fighting arts — Count Dante who won the World overall Fighting Arts championship (Master & Expert Divisions) after defeating the top Judo, Boxing, Wrestling, Karate, Gung Fu, Aikido, etc. masters in 'Death Matches'. On Aug. 1, 1967 the World Federation of Fighting Arts crowned the Count — "The World's Deadliest Fighting Master."

THIS BOOK CAN SAVE YOUR LIFE

The FORBIDDEN and SECRET training manual of the BLACK DRAGON FIGHTING SOCIETY has never before been available to anyone outside of the Society. Recent attempts for regular publication and public exposure have been rejected as the contents were considered HORRIFYINGLY DANGEROUS and BRUTALLY VICIOUS.

Yes, this is the DEADLIEST and most TERRIFYING fighting art known to man — and WITHOUT EQUAL. Its MAIMING, MUTILATING, DISFIGURING, PARALYZING and CRIPPLING techniques are known by only a few people in the world. An expert at DIM MAK could easily kill many Judo, Karate, Aikido and Gung Fu experts at one time with only finger tip pressure using his murderous POISON HAND WEAPONS. Instructing you step by step thru each move in this manual is none other than COUNT DANTE — THE DEADLIEST MAN WHO EVER LIVED.

BLACK DRAGON FIGHTING SOCIETY

The BLACK DRAGON FIGHTING SOCIETY is the WORLD'S DEADLIEST FIGHTING ORGANIZATION which has included in its closed membership the top fighting experts of the DECEASED CHINESE TONG SOCIETY — the oriental, and more vicious counterpart of the Mafia. Its members, who are the world's top Masters in the oriental fistic and grappling arts, train in the most SECRET and FORBIDDEN aspects of the DEADLY Chinese fighting arts of GUNG FU, TAI CHI CHUAN, CHUAN-FA, KEMPO, HSING YI, PA-KUA, SHAOLIN BOXING and DIM MAK.

Until recently the forbidden training secrets of the society have been closely guarded by the members who were sworn to secrecy and joined together thru their initiation ceremony of blood. Breaking of the oath to secrecy meant death by torture to the offender.

Now for the first time their FORBIDDEN SECRETS OF TERROR can be shared with you.

BREAK A BRICK

Included in the manual is a GUARANTEED method of brick and board breaking enabling anyone to break a brick or board after only minutes of training. THIS IS NO EXAGGERATION. THERE IS NO TRICK OR GIMMICK. There is nothing to be held in the hand, or any hand brace needed; and no special stunt bricks or boards are needed. This is the same method that many famous Karate Masters use.

POISON HAND

Considered by many as evil and cruel; the lethally savage ripping, tearing, slashing, clawing and gouging techniques which comprise

the POISON HAND ARSENAL are used to attack (by strike, touch or pressure) the nerve centers, pressure points, major blood vessels and vital organs of the body. You will learn the original 77 "POISON HAND" techniques of ancient China in actual photographs showing them in application. These are not photos of drawings, but actual photos of COUNT DANTE applying these torturing techniques which are meant to maim, disfigure, cripple or kill and have been used by oriental terrorists and assassins to MURDER!

OUR \$10,000 GUARANTEE

We cannot guarantee to make you a Fighting Arts Master or even an expert, as this is up to you; but we can make a \$10,000 GUARANTEE that this book is DEADLIER than any other book, manual or course ever printed anywhere, at any cost and that it was, as mentioned before, refused for past publication due to its extremely FEROCIOUS nature. We also guarantee that the "WORLD'S DEADLIEST FIGHTING SECRETS" contains the most SECRET and FORBIDDEN attack and defense methods ever devised by man and that the DIM MAK and POISON HAND techniques are completely authentic and the WORLD'S DEADLIEST FIGHTING FORMS. Last we guarantee that you can break a real, authentic brick or board WITH NO GIMMICK — just your hand, using our method AFTER ONLY MINUTES OF TRAINING. If you are not satisfied; return the book in good condition and you will receive a refund. MAIL COUPON NOW! AIR MAIL REACHES US OVERNIGHT.

We'll train you in your spare time for an exciting OUTDOOR CAREER

THOUSANDS OF JOBS OPENING UP IN FISH AND WILDLIFE MANAGEMENT,
PARKS AND OUTDOOR RECREATION, FORESTRY, ETC.

These patches represent outdoor careers for which the National School trains you;
not the official patches of any State, Federal or private Conservation service.

Why spend the best days of your life punching a time clock in an office, store or factory — when you may be able to qualify for one of the thousands of new jobs that are coming up in the great outdoors because of concern for conservation and ecology.

Imagine getting paid for work you'll enjoy

Don't settle for only occasional hunting, fishing and boating trips. Live and work right next to nature — in real *man country* — all year round. Every year there are new openings in State and National Parks, the forest industry, game refuges and preserves, private hunting and fishing clubs and recreational facilities.

Here's how you can qualify... Start now!

The National School of Conservation will help you prepare at home, in your spare time, for an exciting outdoor opportunity. This accredited train-at-home program has been created by experts in the field of conservation. These men have years of on-the-job experience... and they share it with you, through every step of your training. You can even keep your present job as you learn at home... working at your own pace. National School of Conservation is America's oldest established and accredited home-study conservation school; so you *know* you're in capable hands. When you graduate, National School will assist you in contacting public and private conservation organizations and help you explore available job openings.

**Good Pay... Job Security... Low Living Costs —
a great combination!**

You can earn a good living, with advancement possibilities

and raises based on seniority and performance. As a bonus, some jobs include uniform allowances, hospital insurance, pension plans, vacations with pay... and your paychecks come through regularly — good times or bad.

You only live once... make it a life of adventure

The man who wears the insignia of a forestry, conservation, wildlife or park agency is a man of *action* called upon to rescue people in danger... to enforce our laws and protect our wildlife... to direct citizens in time of emergencies... even lead fire fighting crews. What's more, the conservationist has the satisfaction of knowing that he is serving his country... safeguarding her forests, parks, ranges and wildlife. Future generations will be grateful to him for preserving the natural beauty of our American heritage.

HOW YOU CAN USE

ISOKINETICS

A REALLY NEW BREAKTHRU IN MUSCLE BUILDING!!!!

Scientific Test PROVES Isokinetics
166% Better Than Weights
390% Better Than Isometrics
For Putting Muscle on YOU!

Weight lifting has been the traditional method for training "Mr." contestants and athletes in all sports. But isokinetics has been proven superior to weight training for building your strength, your body, and your explosive power... faster and more effectively than ever possible before. Here's why:

During each Isokinetic exercise, you continually change the "weight" to the amount that your muscles need for fastest maximum development. (With a barbell you can't change the weight until after the exercise.)

"Sounds great," you say, "So how do I get started, and how much is it going to cost me?"

Until now, the only isokinetic exercisers available were complicated machines costing from \$150 to over \$4000. But NOW! A NEW invention, amazing in its

beautiful simplicity, puts isokinetic muscle building within your reach for only a few dollars.

Powerex = Isokinetics

The invention is POWEREX! It is a pure isokinetic exerciser designed to give you the ultimate benefits of muscle, strength, and explosive power in a hurry. And, as you know, with these benefits come the added benefits of confidence, virility, and the outgoing personality that enables you to get along well with others of both sexes.

POWEREX is going to do all this for you through the following isokinetic principles:

- 1) POWEREX builds your muscles through their full range of movement. It works every small muscle fiber to its utmost. Not the grunt-and-groan partial static results of an isometric gadget, but the total dynamic power of isokinetics!
- 2) POWEREX has the exclusive CONTROL GRIPS. You instantly and smoothly change the amount of "weight" working for you, to the maximum your muscles can handle... from zero to hundreds of pounds, quickly building your

HERE'S PROOF:

The following information comes from several recent (1971-72) U. S. athletic coaching journals. Copyright laws prevent us from using names for profit, but the information is authentic.

1. Several experts conducted a scientific experiment. It showed that the average peak strength improvement after only eight weeks, for each type of exercise, was:

Isokinetics	47.2%
Weight Lifting	28.6%
Isometrics	12.1%

2. One group of researchers stated that all published research matching isokinetics with weight lifting and isometrics showed that isokinetics is greatly superior for muscle building.

3. The coach of a U.S. multi-gold medal winner in 1972 Olympic swimming claims that strength improves faster with isokinetics than with any

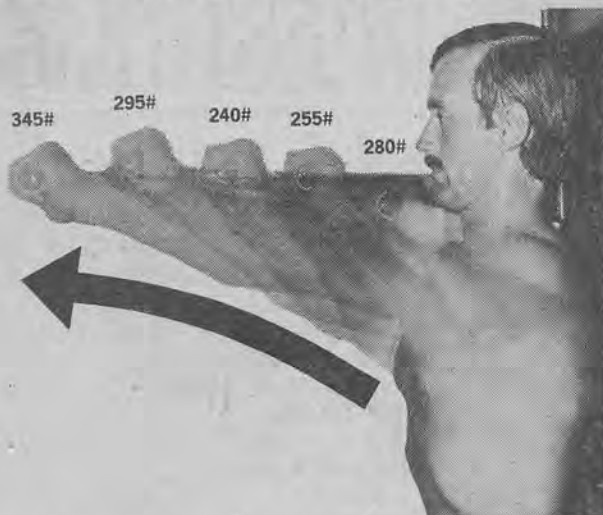

other method.

4. Many of the professional football teams (colleges and high schools too) are now using isokinetics, and others are quickly following.

5. Two athletic trainers say that isokinetics combines the best of isometrics and isotonics (e.g., weight lifting) into one.

6. You would think that a weight lifter would really be at peak strength after nine years of training and competition. This nine-year man then tried isokinetics. Only ten weeks later he had increased his all around strength by 26%!

7. Other claims for isokinetics include (a) no adjustments of the equipment necessary, (b) no warmup needed, (c) little or no muscle soreness, (d) impossible to overwork or strain, (e) no energy wasted trying to control heavy weights while you lift them.

Changing the weight resistance at any instant during the exercise??? Without stopping to do it??? Yes!...this is the isokinetic principle, which builds your body to athletic principle, which builds your body to athletic proportions faster than any other method! Your POWEREX isokinetic exerciser is shown adding the inches of chest and arm muscle in a "bench press"...but without expensive bench, weight stand, and weights! (Patent Pending)

body into a classic, powerful machine!

Illustrated Wall Chart, Courses

POWEREX is safe and light, two pounds. POWEREX is compact, quick and easy to use, anytime, anywhere. At no extra cost, you also get a big 20x28 inch wall chart with illustrations and instructions. Several courses are described... for increased strength, bigger muscles, or turning fat into muscle. One course takes only 15 minutes a week.

Money-back Guarantee

The parts and workmanship are guaranteed for one full year from date of purchase.

AND: If you are not satisfied with your POWEREX for any

reason whatsoever, just send it back within 14 days of receipt for an immediate full refund of your money... no questions asked.

Finally, the best part is that POWEREX will cost you only \$11.95 (plus \$2 for postage and handling)! Right! For less than 1/10th the cost of the next inexpensive isokinetic exerciser on the market, the benefits of isokinetic muscle building are yours!

So don't wait another moment... fill out the coupon, write your check or money order, and get it in the mail now. The sooner you do, the sooner you receive your POWEREX and start the isokinetic way to a muscular body and dynamic power!

The secret of teaching yourself music

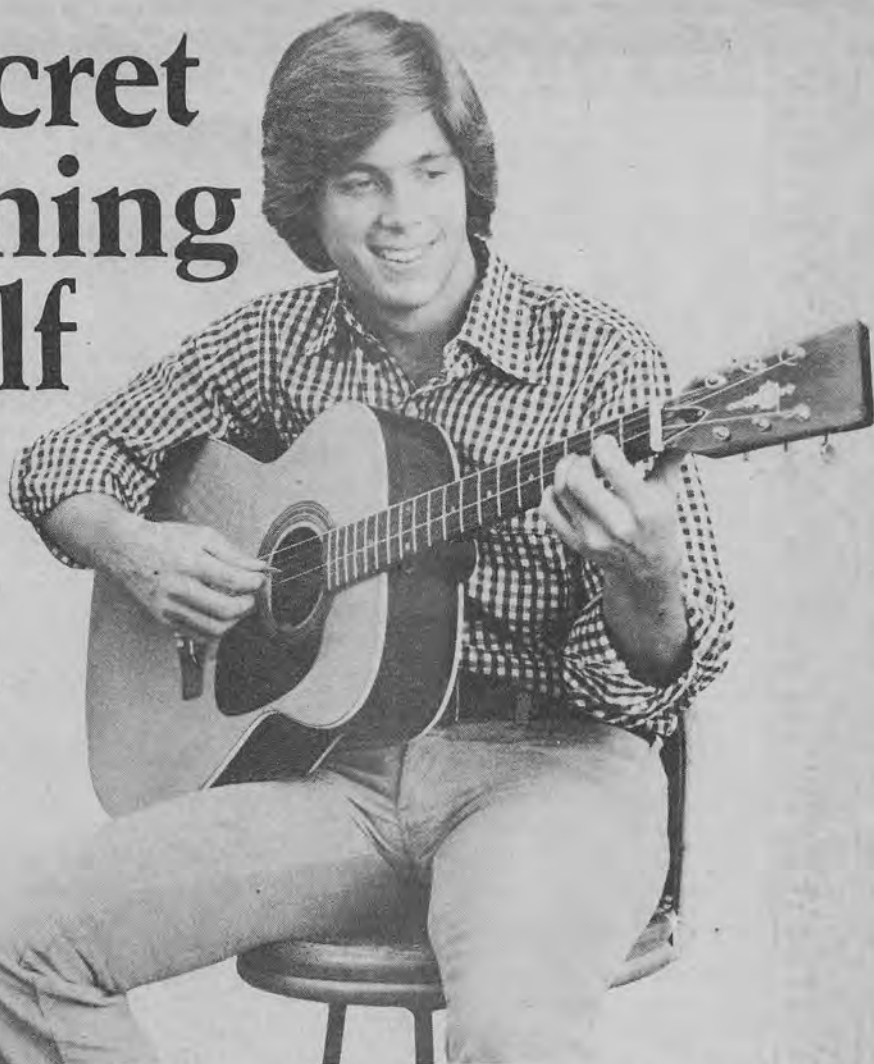

Why keep depriving yourself of the thrill of making your own music?

Here's a pleasant way to learn at home in spare time. You play simple familiar tunes right from the start, then more advanced compositions.

Choose piano, accordion, guitar, any of several instruments.

No gimmicks—you learn to read notes, play regular sheet music.

It really works! Thousands now play who never thought they could.

It may seem odd at first — the idea of teaching yourself music. You might think you need a private teacher at \$4 to \$10 per hour to stand beside you and explain everything you should do — and to tell you when you've made a mistake.

But surprising as it seems, you need no such thing. Thousands of people just like you have taught themselves to play by using the lessons we give by mail. And you can too.

With our lessons, you learn to play the right way — by note from regular sheet music. Without any gadgetry or gimmickry. And all it costs you is just pennies a day.

You don't need any previous musical training. Our lessons start you off "from scratch" with clear word-and-picture instructions. A lot of the songs you practice first are simple tunes you've heard many times. And since you already know how these tunes are supposed to sound, you can tell immediately when you've "got them right."

Then you go on to more advanced pieces. By this time you can tell if your notes and timing are right, even without ever having heard the songs before. Sooner than you might think possible, you'll be able to play whatever kind of music you like. Folk. Popular. Classical. Show and dance tunes. Hymns.

You learn in your spare time, in the privacy and comfort of your own home. There's no one standing over you to make you nervous. And because you teach yourself, you can set your own pace. You're free to spend as much time mastering any lesson as you wish.

It's really a marvelous way to learn. As recent graduate Mrs. Norman Johanson wrote us, "My daughter has taken lessons for 8 years from a private teacher, and now she asks me questions about some of her lessons. How very proud I feel when she says to friends, 'You've just got to hear my Mom play!'"

Others also enjoy her playing, Mrs. Johanson reports. She

plays for herself to relax after a trying day, and for her husband when he's tired. She also plays for friends when she goes to parties. "In a sentence," she says, "it's the most soul-satisfying thing that has ever happened to me."

If you've ever dreamed of being able to play the piano, the guitar, or some other instrument, why not learn more about our convenient, economical way to learn? Send for our free booklet *Be Your Own Music Teacher*. With it we'll include a free Piano "Note-Finder." There's no obligation. INDIAN LORE

I am just one of the thousands of wrestling fans who would like to see Indian Chief Jay Strongbow get the title shot he so richly deserves. Here are some of the facts I've collected about the situation:

FACT: In 1971 and 1972, Fred Blassie, Stan Stasiak, and George Steele each came into Madison Square Garden and got at least two title shots with Pedro Morales. This is not to mention the various other shots they got with Morales in other arenas.

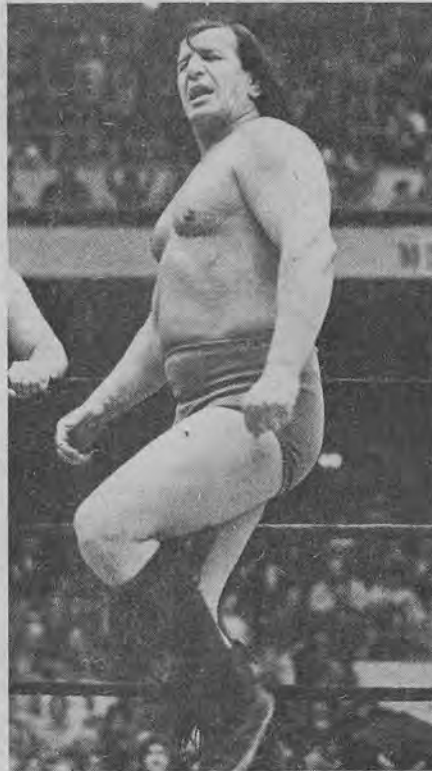

FACT: Chief Jay Strongbow has beaten each of these men.

FACT: In 1973, Fred Blassie, Stan Stasiak, and George Steele have each gotten two or more title shots in Madison Square Garden.

FACT: Jimmy Valiant, Mike McCord, Mr. Fugi, Buddy Wolfe and countless others have gotten title shots.

Now I ask you, even those fans who dislike the Chief, is this fair? Thank you, *INSIDE WRESTLING* and *THE WRESTLER*, for letting me express my opinion in your unbiased magazine.

EDDIE ELLNER
Cedarhurst, N.Y.

Hundreds of letters still pour in protesting that Chief Jay Strongbow (above) hasn't had his well-deserved title shot. Is Bobby Shane (below) the real King of Wrestling? Reader Mary Ann Davidson sure thinks so.

NEW FAN

First, I must tell you what an excellent job you have done on the magazine. Last night I bought my first copy of *THE WRESTLER* and didn't go to bed until I finished it. The article on Dory Funk, Jr. was just fantastic! I knew he wasn't washed up after he lost the title to Race. It's good to know that he beat King Curtis in a comeback.

I live in the Midwest and didn't know there was so much action in wrestling elsewhere. I only wish that I had bought the magazine earlier! You really brought the action down on paper. You can bet I'm going to keep reading your magazines. I hope *THE WRESTLER* will sell 10 million copies in the future.

DOMINIC YEE
Marshalltown, Iowa

FLORIDA WOODS

Your magazine is very good, but a story on Tim Woods would make it much better. One of the top wrestlers in Florida, he has held the Southern States title on several occasions and half of the Florida tag-team championship two or three times. Woods is championship material and deserves a world title shot.

SCOTT COLBERT
Hampstead, N.C.

GENTLEMAN BOBBY SHANE

In reference to Jennifer Wood's letter in the October issue of *INSIDE WRESTLING*, Bobby Shane is a real M-A-N. He is handsome, intelligent, has a perfect body, and is "The King of Wrestling."

Bobby does not push women around or wipe his feet on them just to prove his masculinity. He is very considerate to all deserving females.

Evidently, Jennifer does not think she could be chosen as Bobby's valette. The girl that is chosen will have to be a very special person. She will be treated with respect and kindness, because Bobby is that sort

You Can Work For Law Firms! BE A LEGAL INVESTIGATOR

**Universal Graduates Find Success
In Legal Investigation**

"Every Financial and Personal Reward..."

"This career offers every financial and personal reward," writes Fred C. Koerner, Jr., one of the nation's leading Legal Investigators.

"The Legal Investigator is a man whose work is to seek the truth, to discover facts. He never has to question the value or meaning of his job. The variety of experience is exciting. The association with attorneys, the courts, the law is deeply satisfying. And the security of the profession is sound because of the constantly growing need for trained Legal Investigators throughout the nation."

Universal Graduates Comment on Their Careers In Legal Investigation

DUBOIS

"Thanks to Universal for a start in a most interesting and rewarding career. There is certainly nothing lacking in your training."

Robert Dubois, Illinois

WILLIAMS

"Thank you for the wonderful training. I now have my own successful business."

James Williams, Kentucky

"If it had not been for Universal Schools, I would not be presently employed as a Legal Investigator."

Bill H. Young, Texas

"Your school gave me the front door to success. I have a growing business."

A. L. Goan, Tennessee

Think what this career could mean to your life and income: You are a key employee of influential law firms. Your friends and associates are leading trial attorneys. Dramatic court actions may turn on evidence you discover. You are surrounded by the prestige and power of the legal profession—in perfect position to become one of the top earners in your community.

These tremendous advantages can be yours soon if you train now to be a Legal Investigator. Legal Investigators are men who are especially trained to handle pre-trial investigations for lawyers.

You Search For Truth

As a Legal Investigator you gather the evidence, the witnesses, the facts the attorney must have before he goes to court or attempts to settle a lawsuit.

Your fascinating job is to search out the truth—the whole truth—in a lawsuit; your work is a pursuit of justice.

Widespread Need For Trained Men

Today there's a growing need for many more trained Legal Investigators wherever lawyers practice—in cities, towns, rural counties. Here's why:

More lawsuits are being started now than at any time in legal history. Good trial lawyers are overwhelmed with work. Courts are clogged with cases. Tens-of-thousands of new lawsuits are started every year.

Every case requires days, weeks, even months, of pre-trial investigation. Busy trial lawyers no longer have time to do all this work alone. They need the help of trained Legal Investigators. That need means rare opportunity for you.

Train At Home In Your Spare Time

You can rapidly qualify to be a Legal Investigator through spare time study at home. You simply read fascinating lessons mailed to you from Universal Schools, largest training organization in the field. No college or experience required.

NEWS FROM THE WRESTLING CAPITALS OF THE WORLD

Klondike Bill (above) needed help from Danny Hodge (below) when he was double teamed by Spoiler and "Bad" Bob Sweetan.

ARKANSAS & LOUISIANA HAPPENINGS By Duane Ratchford

KLONDIKE BILL HAS returned and isn't keeping any secrets about it. He's making his presence known around Karl Von Steiger, Spoiler, Bob Sweetan and other grapplers fans dislike.

In a recent match, Klondike was wiping the floor up with Sweetan when Spoiler came charging in with a chair and hit big Klondike on the head twice! Klondike fell to his knees and Spoiler and Sweetan started to work him over.

Finally, Danny Hodge, who was watching the action on TV in the dressing room, came to Bill's rescue along with Scandor Akbar. They sent Spoiler and Sweetan running every which way for looking an exit.

A few minutes after the melee, promoter Leroy McGirk announced he'd requested that the State Athletic Commission fine Spoiler \$500 or more and suspend him for at least six months! The Commission is expected to okay the suggestion.

Gypsy Joe has turned over a new leaf and is now a crowd pleaser. He met his former partner Don Duffy in a wild match. Joe took the nod when Don's neckbreaker was reversed on him and he was unable to continue.

Danny Hodge keeps proving to all why he's Junior Heavyweight Champion. In recent weeks he's stopped top-rated contenders such as Karl Von Steiger, Jerry Miller and Tarzan Baxter. Danny's a master of a thousand holds and he's running out of competition!

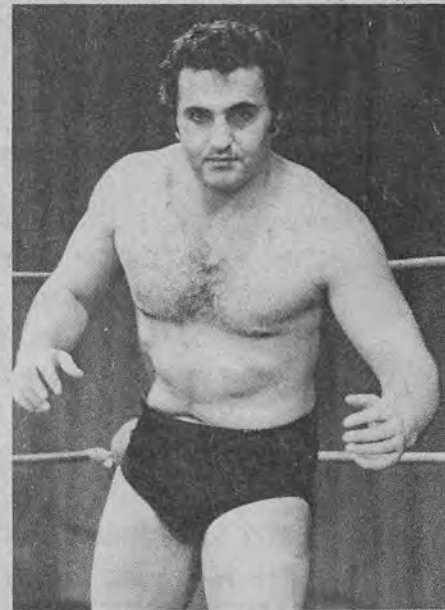

PENNSYLVANIA ACTION By Steve Woloszn and Dave Creedon

Erie's Tech Memorial High School

auditorium hosted a great show featuring "Flying" Fred Curry against the Japanese man of mystery, the Great Kabooki.

The match took awhile in starting as Kabooki delayed things while performing his ancient Japanese ritual.

Finally the bell sounded. Kabooki immediately chopped away at Curry. But Fred retaliated with a series of body slams, flying headscissors, and dropkicks. Kabooki, unable to cope with the situation, reached into his trunks and pulled out a foreign object.

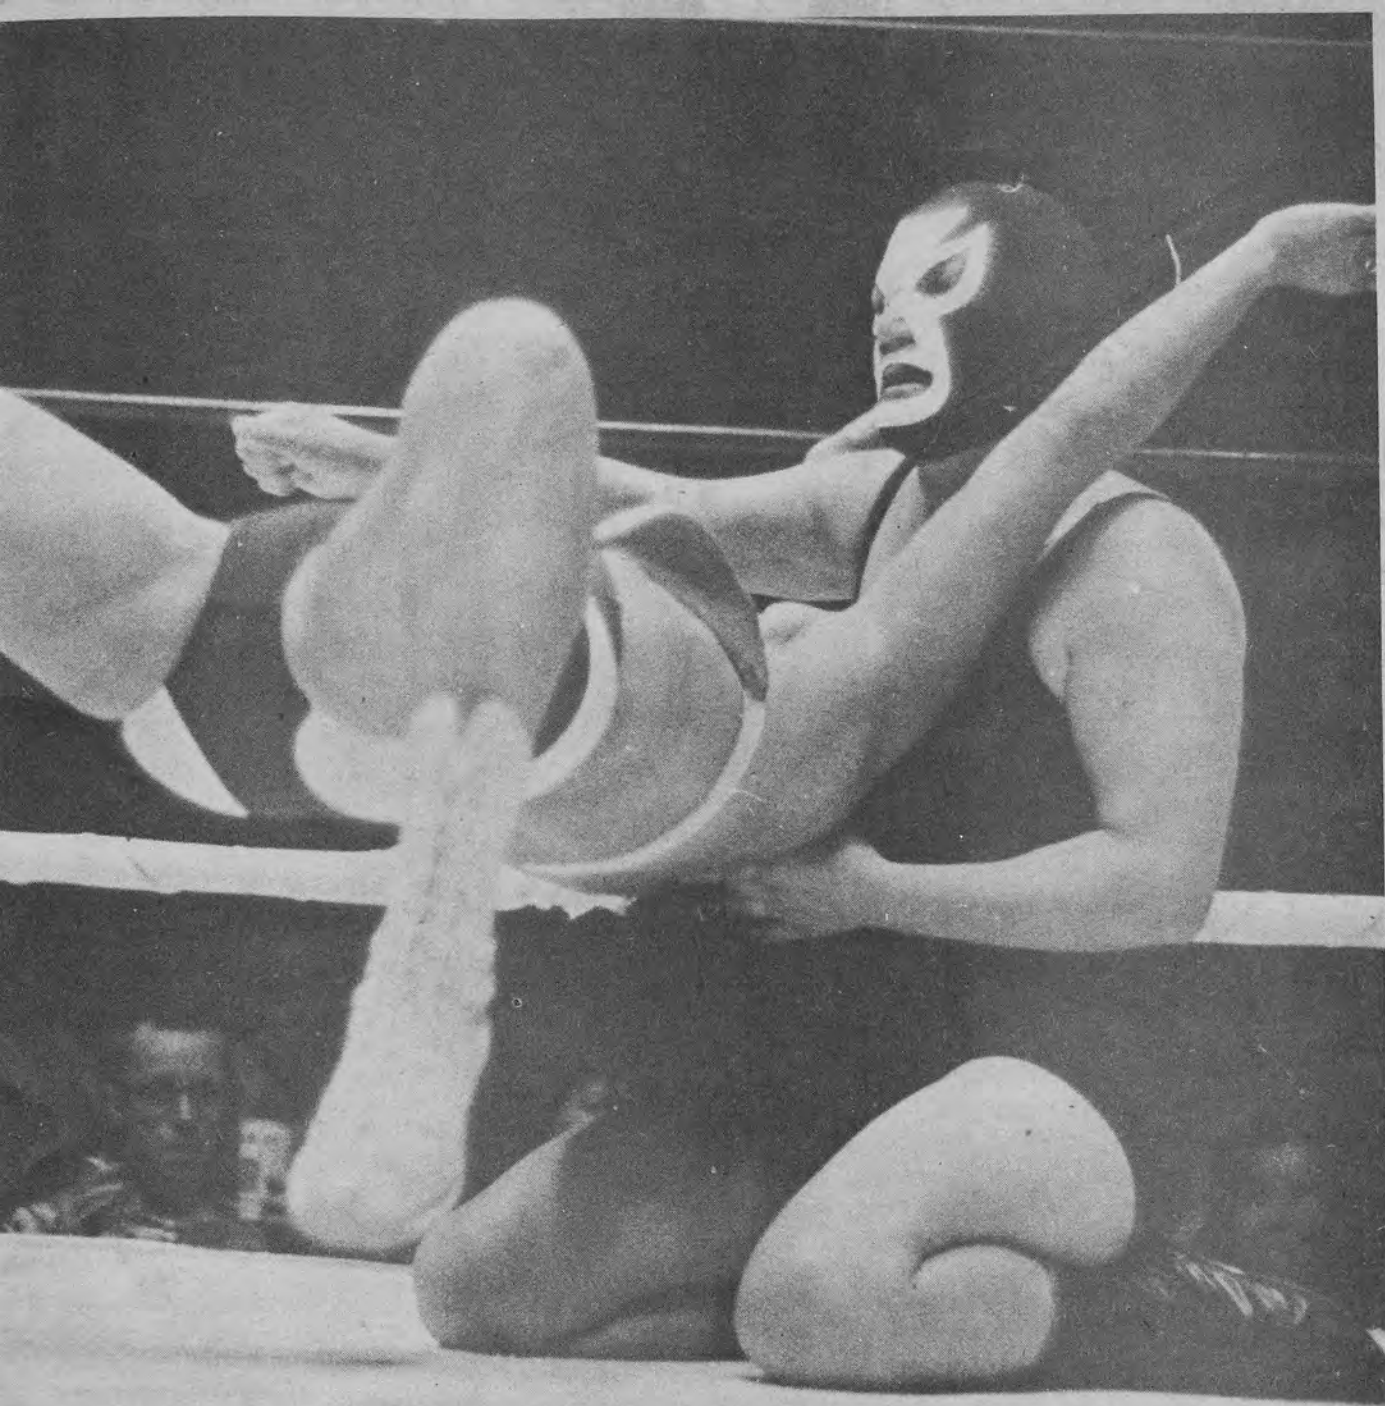

Flyin' Fred Curry dazzled The Great Kabooki with his array of spectacular flying maneuvers.

Then he threw salt into Fred's eyes.

Completely overpowering Fred with foul moves and foreign objects, the referee disqualified the Japanese terror.

The Civic Arena in Pittsburgh was packed as thousands of fans witnessed a great card. In the main events Bruno Sammartino and Bruiser squared off against Ricki Cortez and Baron

ing those wild cats clawing away at each other beats popping your eyeballs at the Playboy Club."

Throughout California, wherever wrestling matches are held, the fans demand at least one girl match on every card. And because the promoters must satisfy their customers they bid against each other for the girls' services. As a result, the purses for female wrestlers have zoomed to an all-time high and have triggered a mass Westward movement of these very special athletes from all parts of the country.

"It's like the Gold Rush all over again," said one Southern California promoter.

One of the state's most sizzling hotbeds of girl wrestling is the picturesque city of San Diego, where just about every wrestling card is spiced by a girl match.

To capture the drama of these savage bouts, we asked our photographer to cover every girl wrestling match in San Diego over a period of six weeks. When he had finished, we asked him to select the most exciting bout he

had covered.

"That's easy," our photographer said. "The bout between the pretty Indian Princess, Tona Tomah, and that Amazon who wears a black mask over her face. Her name is María Pisa, but she's billed as 'La Santa.'"

The photographer went on to explain that when Tona and La Santa walked to the center of the ring to receive their instructions from the referee, La Santa waved her finger in the Indian's face and sneered, "I'm gonna split you wide open—

Tomah kicked (below), punched (right) and twisted (middle right) to elude La Santa and came near getting suffocated in the process (bottom photo).

just like a chicken."

The referee growled at La Santa: "Keep your mouth shut. Words don't count for anything. It's what you do with your hands and legs that count."

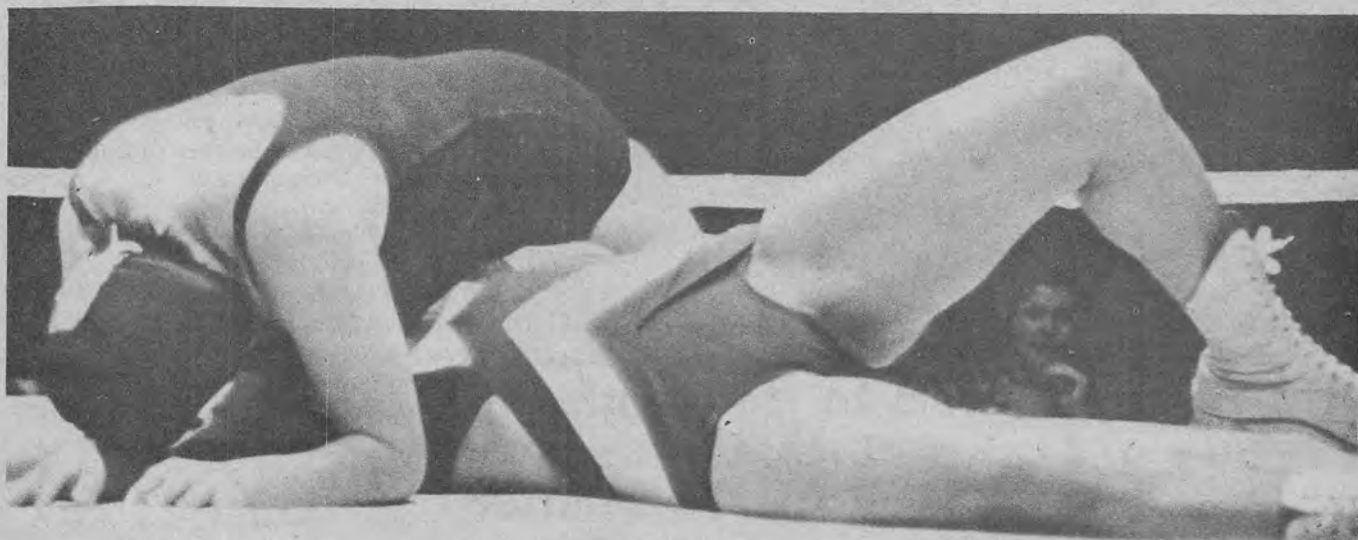

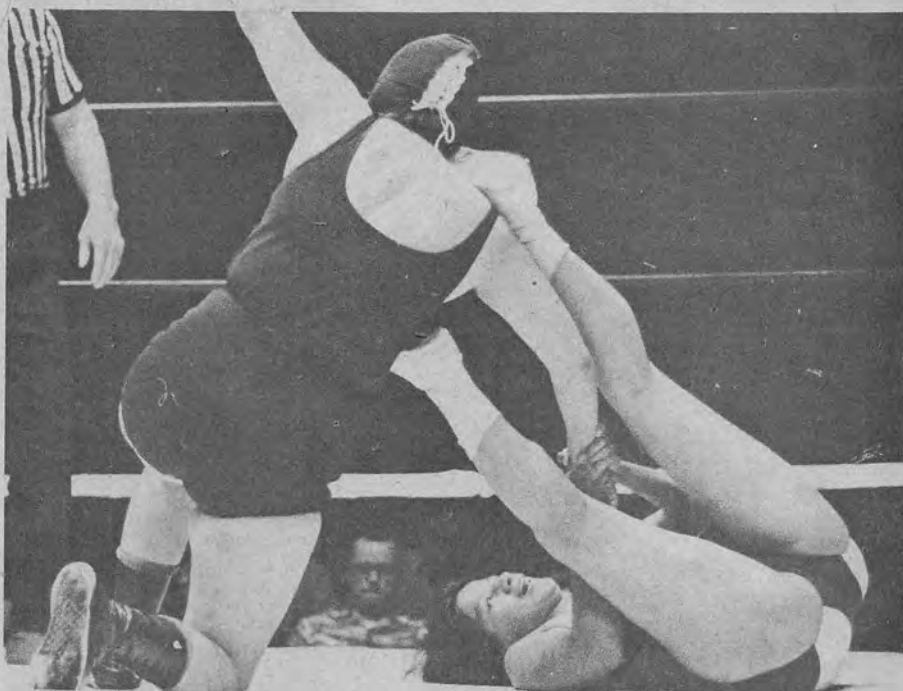

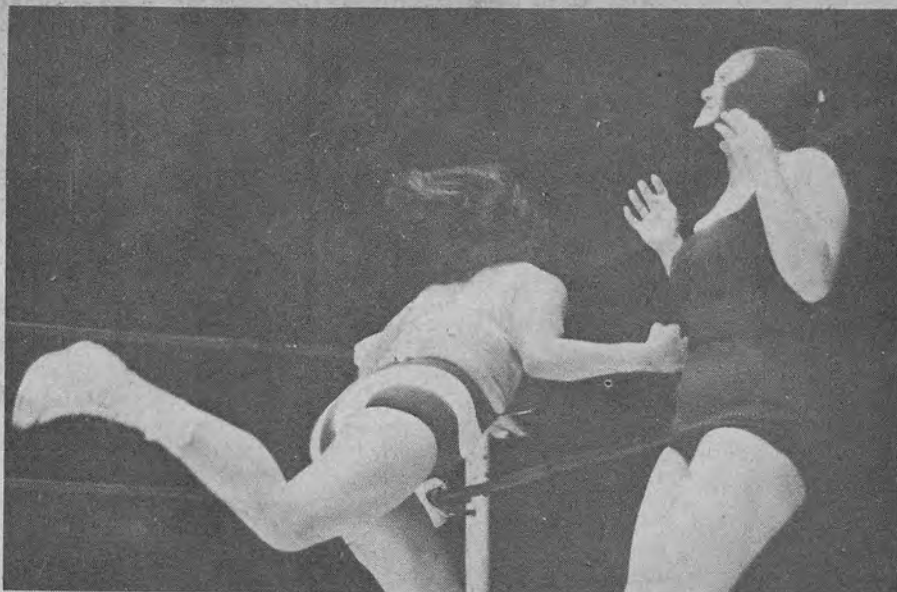

But even after the bell rang, and they locked horns near the Indian's corner, La Santa kept grunting: "I'm gonna split you apart—just like a chicken!"

And the masked terror came dangerously close to keeping her threat, as the pictures on these pages show.

Although the pretty Indian fought bravely, and was inspired by the enthusiastic cheers of the big crowd, La Santa's superior strength and sneak judo chops to the head and neck sapped Tona's strength. After a thrill-packed 8 minutes and 33 seconds, Tona wound up stretched out on the canvas, her legs spread wide apart.

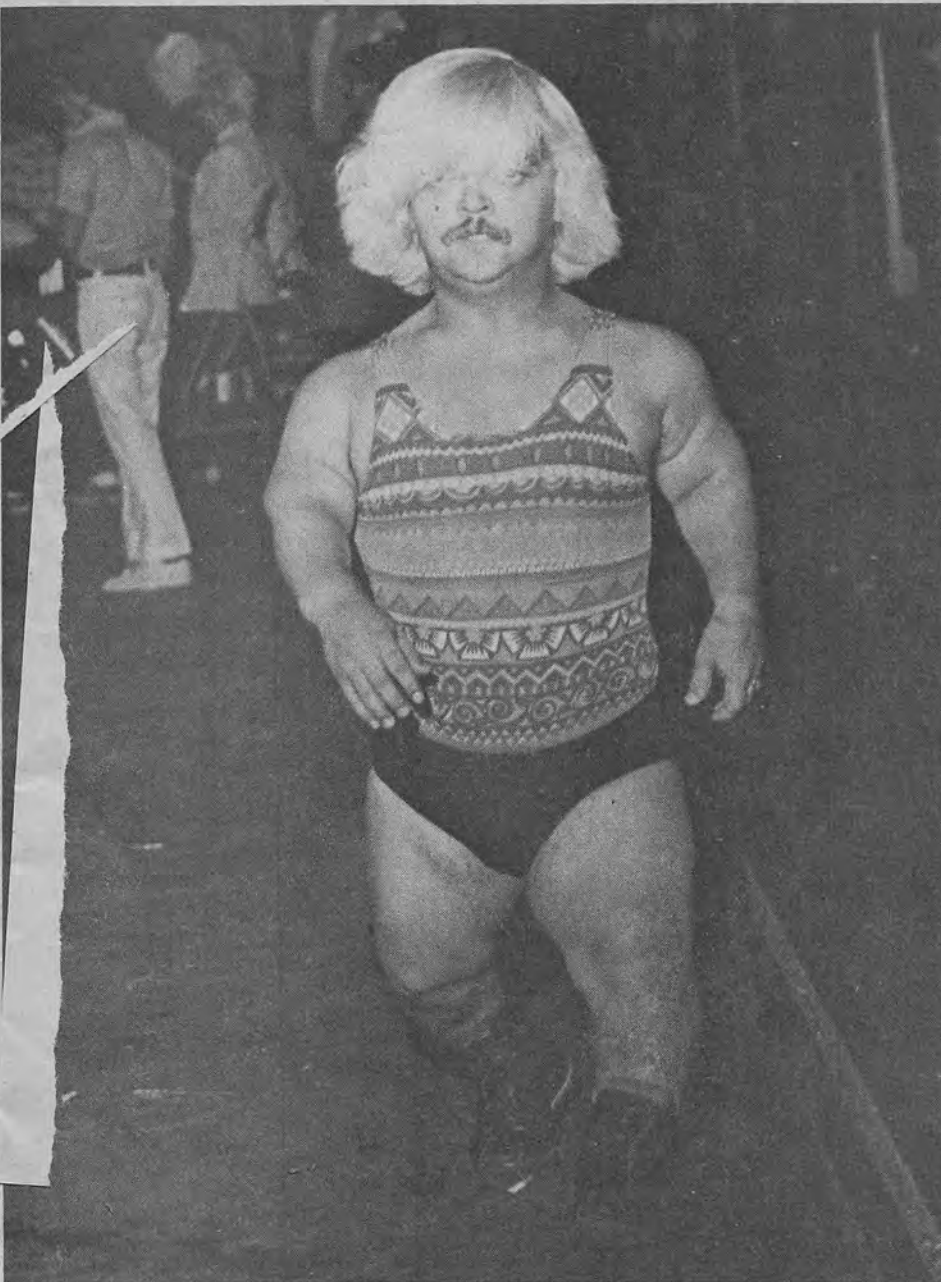

As the referee reluctantly raised La Santa's hand in victory, she pointed at her unconscious victim and bellowed, "See, doesn't she look like a split chicken?"

Ah, yes, girl wrestling has returned to California, where women have finally won equal rights. □

LOOK WHAT LITTLE BRUISER LOOKS LIKE NOW

Photo By Gene Gordon

Little Bruiser tried to come clean. He really did. But it just wasn't him. Now he's back to his former style and doesn't want to look like his former idol Bruiser. At all

LITTLE BRUISER IS no longer angry and ashamed of his full-sized namesake, but one of the great villain alliances in wrestling is over.

When Dick the Bruiser changed his outlook on wrestling to become a clean sportsman, his midget counterpart, Little Bruiser was horrified.

The little battler had proudly proclaimed his resemblance to the famous mat villain and patterned his anything goes style after The Bruiser. The midget had even shaved his head to be just like his hero.

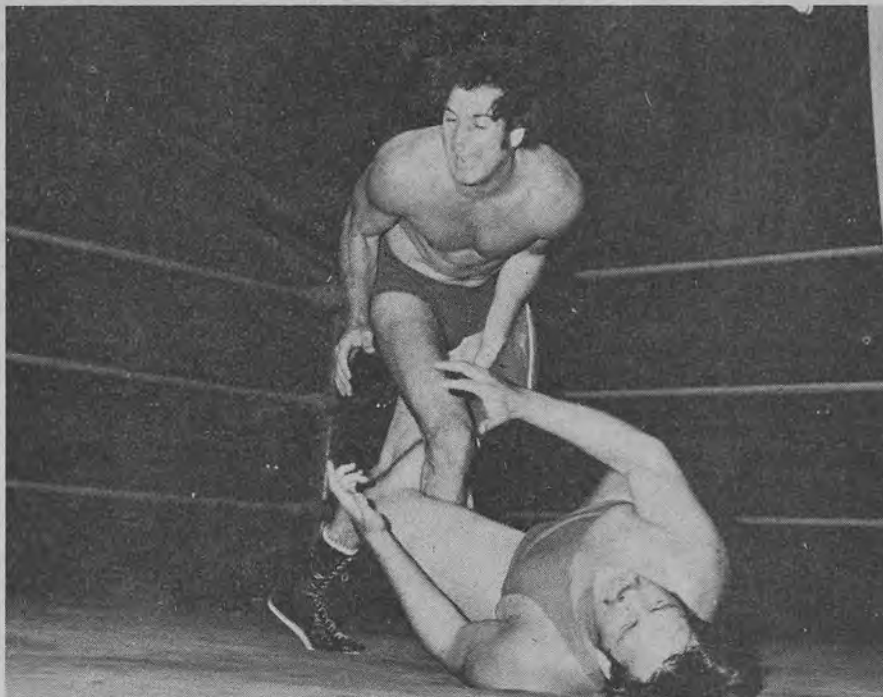

But being a clean fighter was more than Little Bruiser was willing to do. He went out of his way to criticize the new Bruiser and did everything in power to embarrass the other man. Hero worship became disgust and anger.

Eventually, Bruiser tried to convince Little Bruiser to follow in his footsteps. The two met one evening and talked far into the night. The result of the summit meeting was that Little Bruiser would join Bruiser and Crusher in a tag-team match. For one evening Little Bruiser would be a clean sportsman.

Little Bruiser did his best. He wrestled like a gentleman and the team won. However, Bruiser lost because Little Bruiser was not won over. Though the two parted friends, they parted.

So Little Bruiser set out to discover his own identity. His shaved head soon sported long, flowing, blond curls. His clean-shaven face soon had a bushy mustache. Any resemblance between Little Bruiser and Bruiser was buried beneath hair.

Little Bruiser is now on his own. He has his own style of wrestling and his own way of looking at life. Of course, once he steps through the ropes, Little Bruiser never needs anyone. □

Bill Crouch cries out in pain as young Greg Gagne puts extra pressure on a stepover toehold. Greg learned this hold, as well as any others in his repertoire from his father, the A.W.A. champion, Verne Gagne. Greg also got some training tips from Billy Robinson. "I wanted him to learn various styles," Verne said. "That's why I let Robinson work with him." Greg had intentions of breaking into professional football at one time but changed his mind. "My father was so glad when I did," Greg recalls. "I'm glad I chose wrestling," he added. "It's really great."

CAN GREG GAGNE FILL HIS FATHER'S BIG SHOES?

VERNE GAGNE HAS no plans to retire in the foreseeable future. But when he does he'll be remembered as one of the greatest wrestlers to have stepped into the squared circle. His name won't be forgotten. Because of his tremendous ability people will go on talking about him for years to come after he tosses in the towel.

Even if the name *Verne Gagne* should eventually fall by the wayside, the family name of Gagne will remain fresh and new. Who's seeing to this? Verne's son, Greg.

"I hope I can bring as much respect to the Gagne name as my father did and still is doing," young Greg, now a rookie wrestler, says.

Greg decided to follow in his father's footsteps at an early age.

"When he was six he used to come to the gym with me and try to work out the same way I did," Verne recalls. "As he got older he actually duplicated many things he saw me do in the gym. When he was maybe 13 or so I started sparring with him. He learned holds quickly. It was like a duck takes to water. It seemed to come naturally."

Greg learned and learned well. After his high school education Greg entered college and wrestled amateur style. He also found another love, football.

"After awhile I had to choose between a football or wrestling career," Greg said. "I was getting out of college and I had to make a decision. So I decided to try football first and if I didn't like that I'd give a crack at wrestling."

Greg's got to learn to cope with illegal tactics such as the one Crouch is using. "Sometimes I find that it's really hard to follow the rules," Greg said. Greg sympathizes with the referee's job, as he did some refereeing before he was allowed to wrestle.

It'll be awhile before Verne Gagne hangs up his wrestling boots for good. But when he does there'll be another Gagne ready to carry on the great family tradition

Standing alongside his proud father (right) Greg strikes a pose for our photographer. Greg's future plans are to put on a few more pounds and wrestle as often as he can. "That's how I was," Verne said. "It's good to see that Greg has a good healthy attitude about this business. I hope that one day he'll hold the title I have. I'd be immensely pleased if he does."

Greg was accepted by the Atlanta Falcons. After a few games he had to pack it in.

"I was feeling weak during the games," he said. "I had no strength. So I went home and visited my family doctor and he took some tests. Guess what. I had mononucleosis! That was the end of my football career. I was staying home for a long rest.

"While home my father resparked my interest in wrestling. He kept my room filled with wrestling magazines and made sure I kept abreast of what was going on. He seemed so enthused about it, like he hoped I'd try pro wrestling.

"Well, when I recovered I decided I'd give it a go. But dad told me 'Break in slow! Get the feel of what it's like to be in the ring before you put the trunks on.' So he called a promoter he knows and asked if I could be broken in as a referee.

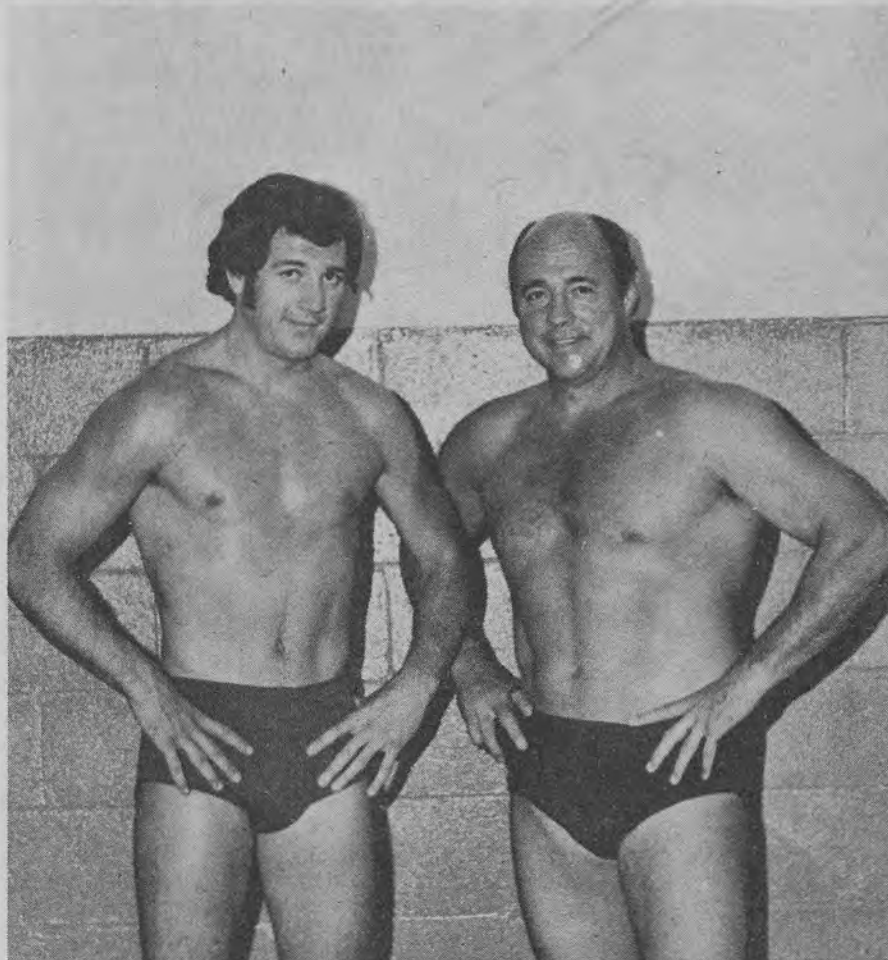

"I took a course in refereeing and found I liked the feel of the ring. Many times I got into fist fights with wrestlers when they refused to obey me. My dad wasn't too crazy about that.

Finally, when Verne thought Greg was ready, he introduced him to Billy Robinson.

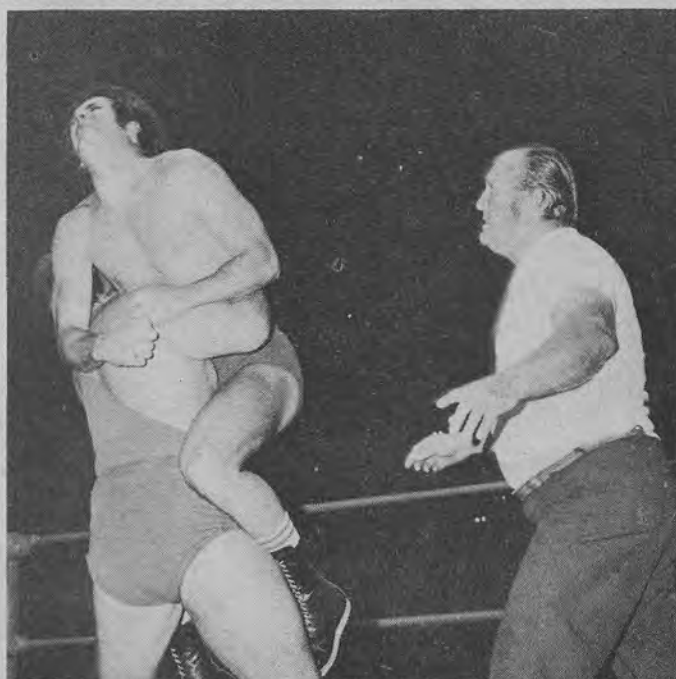

"Billy'll teach you some tricks that even your dad doesn't know!" Verne said. "It'll be good for you to learn different styles, not just mine."

For eight hours a day, six days a week, Greg learned all he could from his dad and Robinson. Finally, after a few months, his father said, "He's ready."

(Continued on page 58)

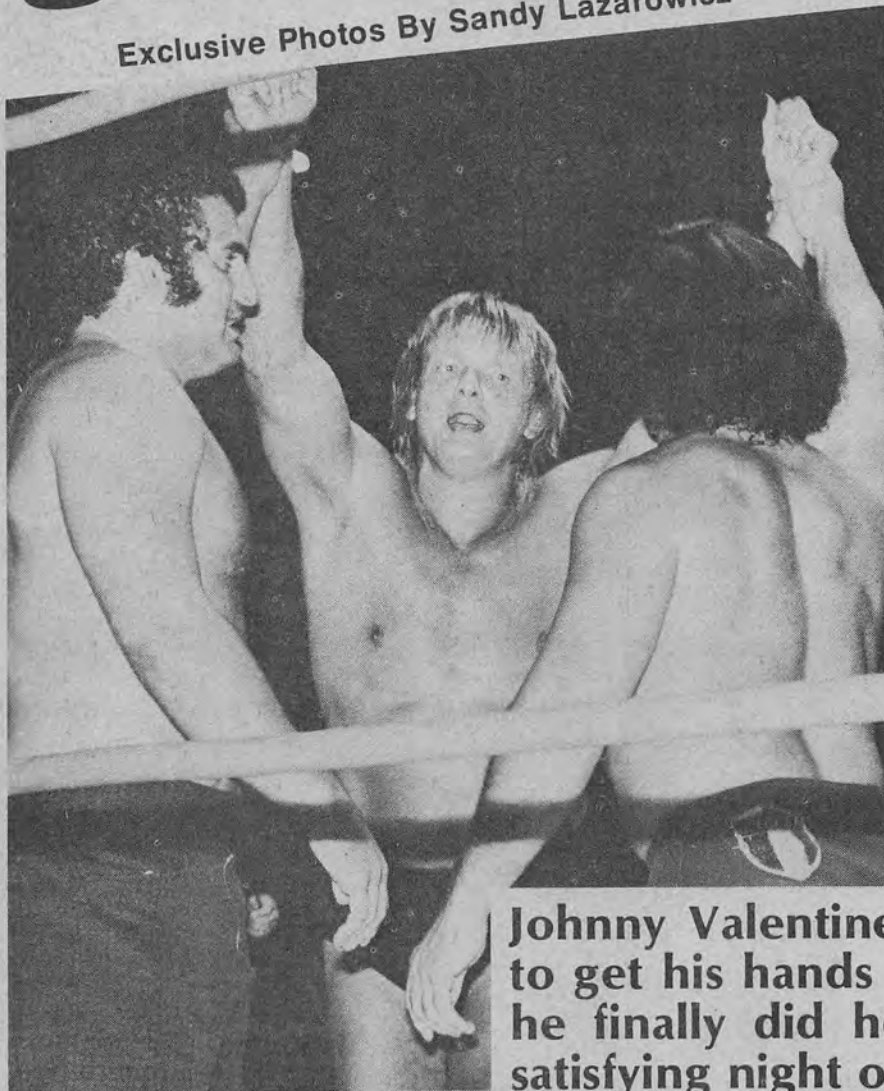

Greg pounds at Crouch's back, trying to get out of his powerful bear-hug. "I could hardly breathe," Greg remembers. He finally got loose by smashing his elbow onto the back of Bill's neck, almost knocking him unconscious. "He'll learn all the ropes in time," his father says. "He's got a lot to learn yet."

Johnny Valentine Admits:

**"I WOULD'VE
MURDERED
THE SHEIK IF
THEY DIDN'T
STOP ME!"**

Exclusive Photos By Sandy Lazarowicz

Johnny Valentine waited a long time to get his hands on The Sheik. When he finally did he called it the most satisfying night of his career!

JOHNNY VALENTINE WAS out for revenge and what sweet revenge it would be!

Here was his chance to get back at The Sheik. And John had a lot of getting back to do. There was no doubt in anybody's mind that Valentine hates The Sheik with a type of vengeance not often found in wrestling.

"The Sheik has got to pay and that's all there is to it," said Valentine. "He must suffer for all the anguish he caused me! It's about time he got repaid for what he did."

What the Sheik did was one of the most vicious actions ever perpetrated in a wrestling arena. It almost cost Johnny his eyesight and it put him into the hospital for a long stay.

"He intentionally shot fire into my eyes and nearly blinded me," remembers Valentine. It's a match that Johnny will never forget.

"It wasn't any accident. Acci-

Even though he lost by disqualification, Johnny's declared the winner (left) by Tony Marino and Fred Curry. A brawl erupts (above) as John and Sheik's friends mix.

dents like this just don't happen. Any wrestler with any degree of professionalism won't go out and for no reason injure someone. Of course, we're going to hurt and get hurt in the course of a match.

"But The Sheik is out to injure just for the sake of injuring. He's nothing but a raving lunatic. The man should be barred from wrestling. Since there's no action pending to do that, I'm out to rid wrestling of this menace!"

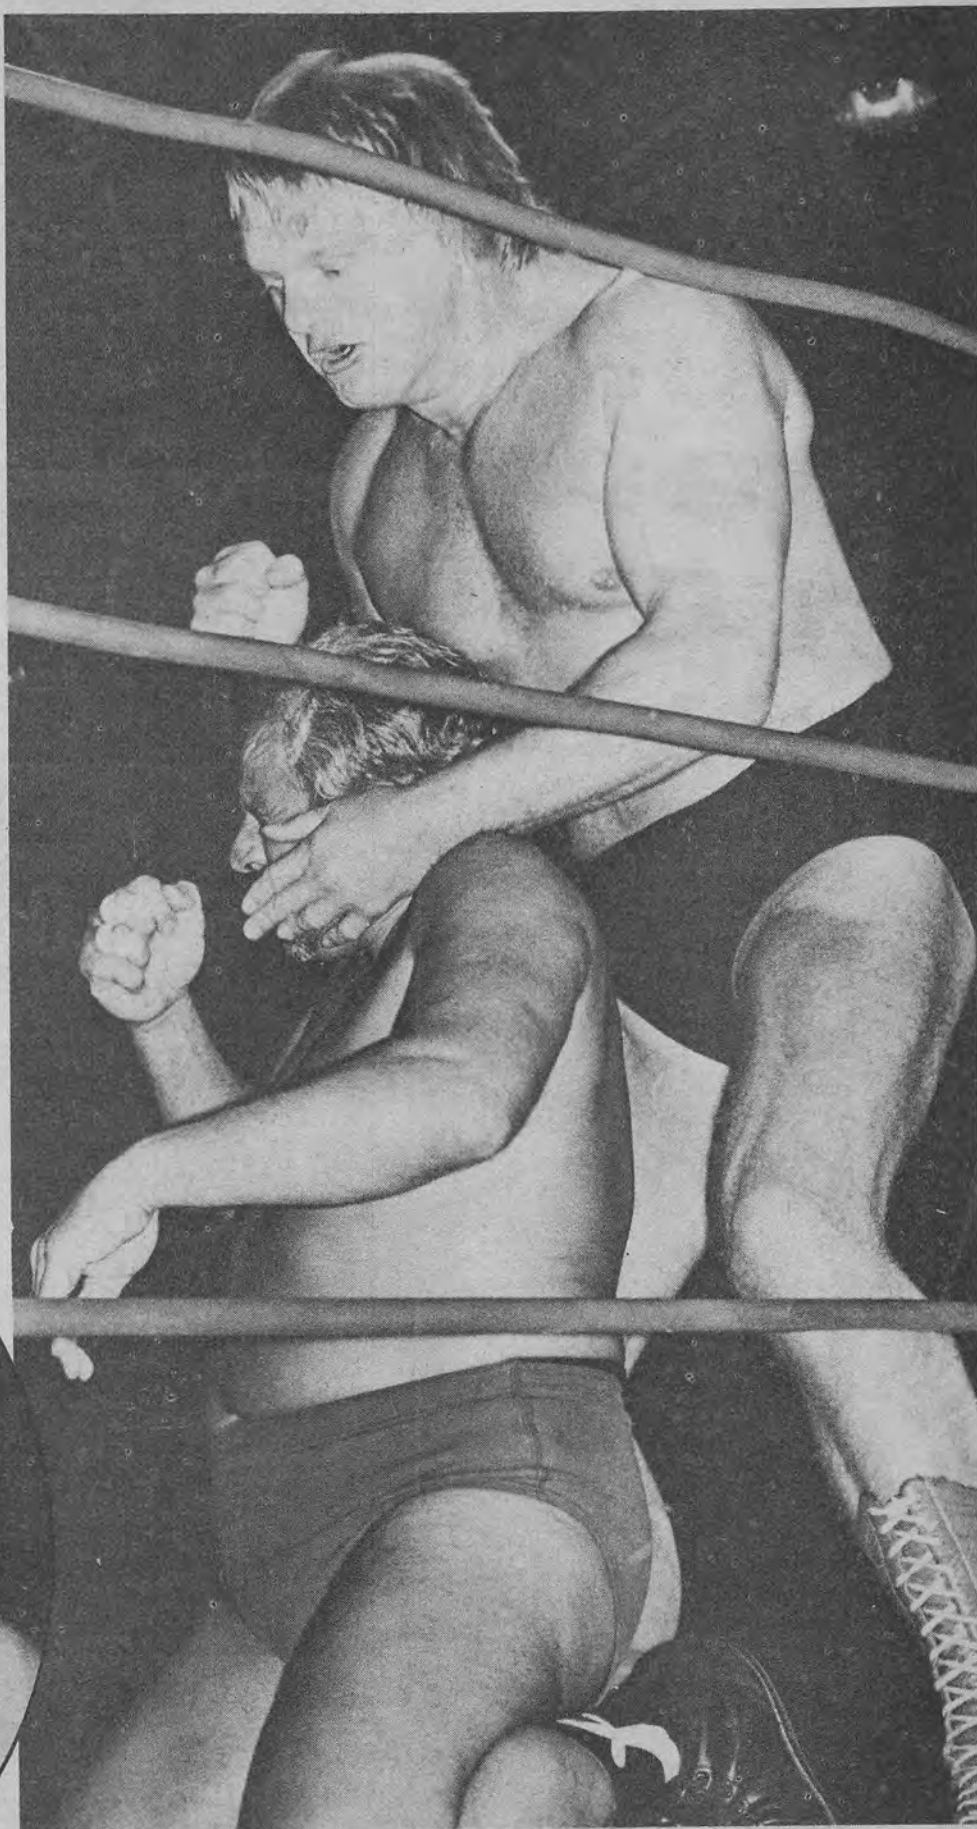

Valentine's revenge was a long time coming. He had spent months in the hospital recuperating. And his comeback to wrestling had been a slow and painful process.

But he came back and showed enough courage to merit recognition by the fans at the Inspirational Wrestler of the Year.

"It's great to be back," noted Johnny. "And it's especially great to be getting my chance for revenge. I want revenge for all the suffering The Sheik caused me. I've got to give him a little suffering in return. I've got to have some of his flesh. I've got to have my hand on him after all these weeks of thinking about him. Maybe it's not ring to seek revenge, but that's what I'm after, and I won't rest until I get it."

(Continued on page 62)

With a maniacal look on his face, Valentine bloodies The Sheik (right). The wild Arab can't believe what happened to him (below). He's nearly unconscious!

By LORD AL HAYS
As Told To George Frank

FOR SEVERAL YEARS the fine people of Europe and Great Britain had the great honor of watching me—Lord Al Hays—perform in their arenas. They responded as would be expected from cultured followers and students of the oldest and grandest sport in the world. They appreciated my deep and varied talents.

I traversed the major wrestling capitals of the world and appeared in such far-flung spots as Borneo, Siam, Hong Kong, India and Fiji. It was inevitable, I suppose, that I eventually come to the United States in order to pit my skills against the grapplers whom many feel are the best this earth has to offer.

Well, I've more than proven my abilities in this country. Twice I had chances at Dory Funk, Jr. when he held the world heavyweight championship as recognized by the National Wrestling Alliance. Twice I was cheated out of victory and the laurels I had earned.

Now Harley Race, after he defeated Funk, never gave me an opportunity to face him. Jack Brisco, who upended Race, has yet to agree to wrestle me. Such claimants to major championships as Verne Gagne, Pedro Morales, "Cowboy" Bob Ellis, Victor Rivera and others certainly haven't gone out of their way to tangle with me.

I can understand why they hesitate to meet me considering what they know about me. They realize I have the capability of handing them a sound thrashing.

But there's one more reason why these so-called "champions" are not one bit anxious to come to grips with Lord Al Hays. Every single one of these men know I will no longer allow myself to be cheated out of rightful triumph.

You see, my dear readers, I have changed my wrestling tactics in a few small ways. I no longer worry about currying favor with the fans. I no longer worry about upsetting and antagonizing promoters and other wrestlers. I've learned—the hard way—that professional wrestling is what some people call a "dog-eat-dog" business. There seem to be many times when paying great attention to the rules has backfired on me and hurt me.

WHY LORD AL HAYS TURNED BAD!

True, few wrestlers have had as many disappointments as Lord Al Hays. But is that reason enough to turn dirty? You be the judge

Lord Al Hays uses any method or weapon available to batter an opponent (left) into the mat. Pinning Dory Funk, Jr. (below), he shows good, clean wrestling ability. Since he lost that controversial decision, though, rules no longer concern him.

Below: Lord Al Hays applies the painful hand-bender on a luckless opponent. The hold is legal, but separate finger bending is not. Hays doesn't bother to make any distinction.

Yet for this tiny alteration, I am accused by some of the more low-brow fans of "being dirty." Don't call me dirty! I am a fine wrestler—possibly one of the greatest in history—and I've finally learned that it doesn't necessarily pay to hide my light under a basket. It doesn't always pay to follow the rulebook right down to the last letter and smallest punctuation.

I can thank one man in particular for helping me to understand this fact. Roger Kirby, who should properly be known as "Nature Boy" for his splendid physique and superb natural talent, convinced me to follow his example and let a slew of victories obscure any meaningless criticism.

I had come across Roger during my travels and was very impressed by him. At the time, however, I found his ring tactics somewhat distasteful. But times change and so do I.

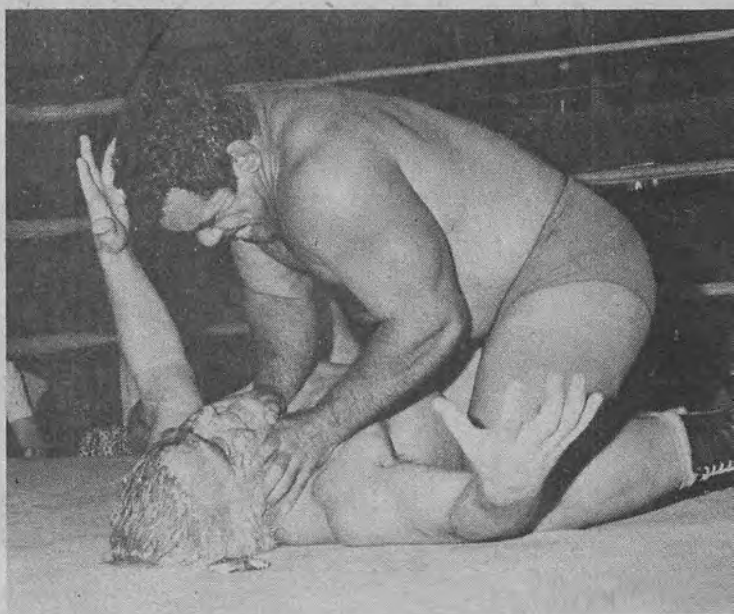

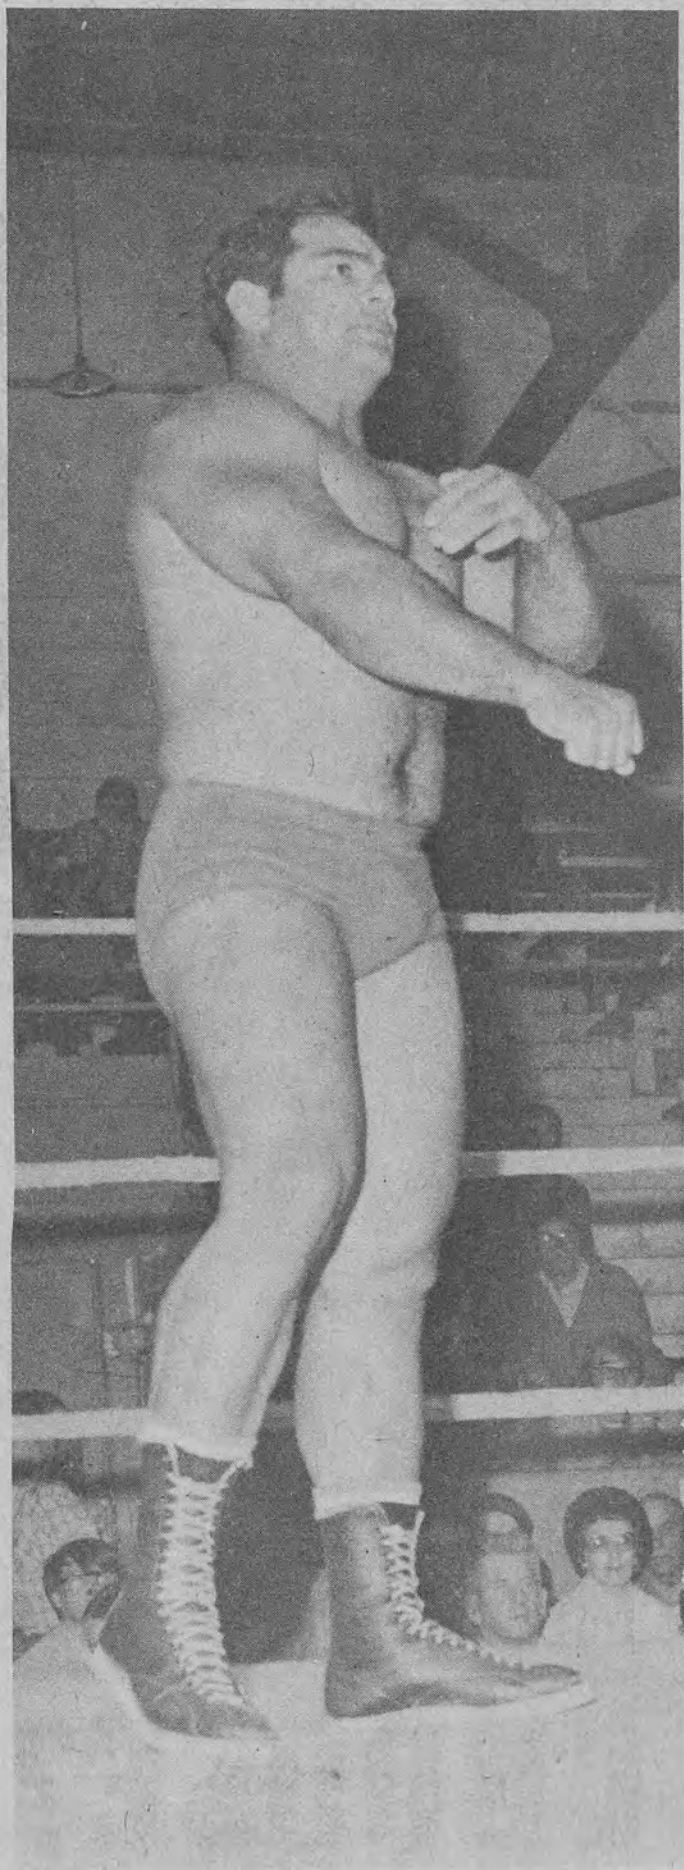

Not only has Roger's advice aided me as a singles performer, but with Roger I have formed what may be the perfect tag team. We have strength, speed, size, toughness, basic wrestling ability and a thorough knowledge of what it takes to be a success in modern wrestling.

As a team we have evolved many new holds and maneuvers which could revolutionize the entire concept of tag team grappling. Already the version of the World Tag Team title which is recognized by promoters in much of the mid-west has come to us. And we have not even polished off the rough edges of our teamwork.

I like to feel that I have repaid Roger for his assistance in helping him lift up mentally, so to speak. As you may know, I am an excellent painter, dealing especially in acrylics. I enjoy fine, cultured music and shows. Through me, Roger has come to gain quite an appreciation of these finer things.

I am used to the finer things. I was born in Parliament Square across from the House of Lords in the very centre of London, England. My father, a famous major in the Royal Artillery, sent me to the world-renowned Burdett Coutts and Buckingham Gate Schools.

After graduating with honors, I

Omar Atlas (left) enters the ring hoping to leave as the North American Champion. However, when he starts to choke champion Gil Hayes (above) he's fighting back any way he can just for survival.

BLOOD VS. BELT

NORTH AMERICAN CHAMPION Gil Hayes is proud of many things, not the least of which is his blond hair.

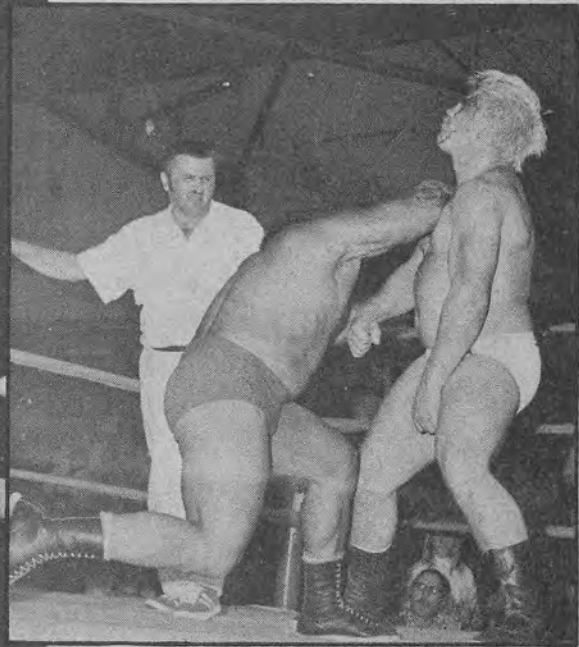

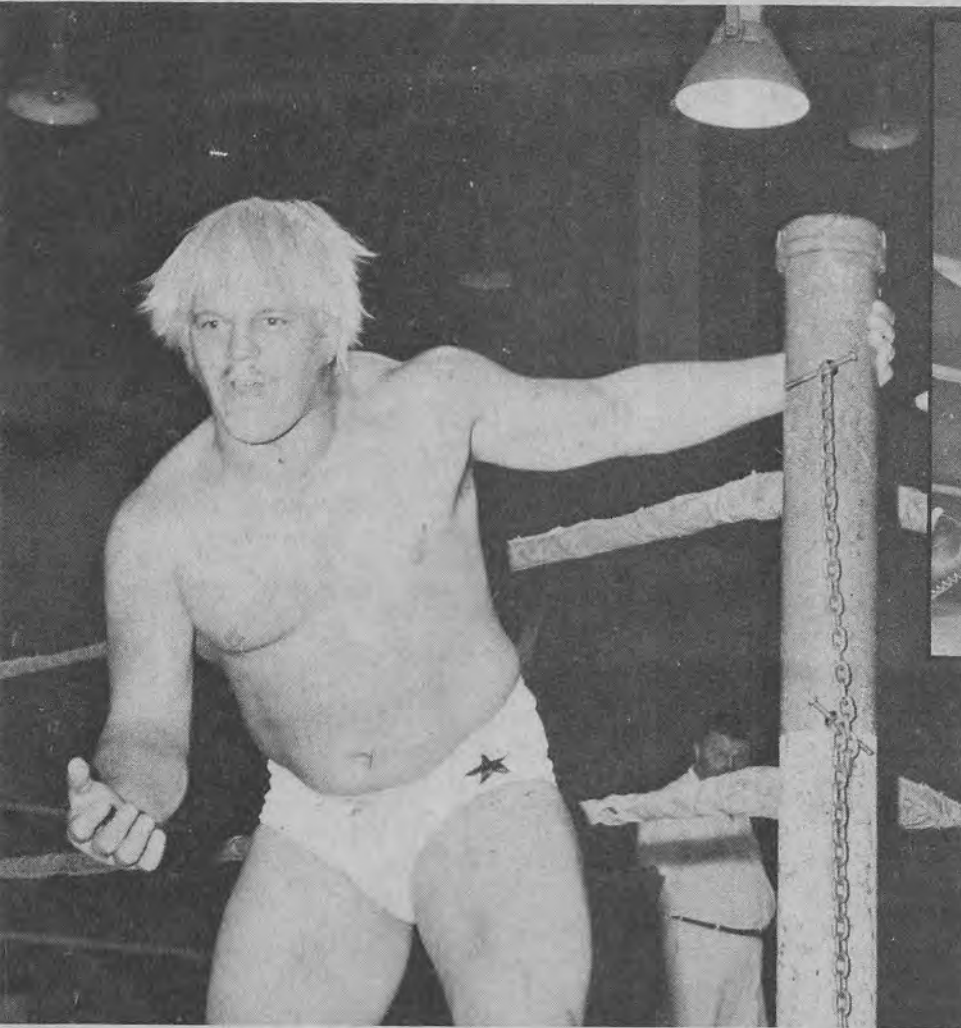

But Hayes' blond tresses were stained dark red one night...red with his own blood. If there is one thing Hayes doesn't like it's seeing bloodstains on himself—especially when that blood is his.

Hayes (below), taunting the fans, leaps from the ring while Atlas lies unconscious. As Hayes rants, Atlas recovers.

One man would rather lose his belt than bleed. The other would gladly bleed to get a belt. Neither got what he wanted

It's easy to see both men would've been happier had Hayes made a bloody mess out of Atlas and Atlas won the belt than the other way around. But it just didn't work that way.

Not, of course, because Gil didn't try.

As usual, he pulled every dirty tactic he could think of, getting Omar angry enough to depart from his usual scientific style in order to trade punch for punch with Hayes. And when Omar did that—Gil came out on the wrong end!

"I don't like to wrestle like that," Omar admitted. "He forced me into it. But if you have to wrestle like that," he added with a smile, "you might as well do a thorough job. Looks like I did."

(Continued on page 56)

Omar Atlas was also covered with blood. But not his own. "I guess maybe that proves something," Atlas said. "But I don't know what. Everything came out mixed up. He wound up with what I wanted and I got what he wanted."

What Atlas was talking about were the stakes in their match for the North American title in Edmonton, Alberta. Atlas had stated publicly that he wanted Hayes' belt. Hayes has stated publicly that he wanted Atlas' blood.

So what happened?

Hayes wound up with the belt

AND Atlas wound up with Gil's blood!

It was an ending neither man wanted since it contradicted their philosophies.

"The belt is nice," Hayes has said, "but the real winner of any match is the man who inflicts the greatest amount of punishment and pain on the other guy. I'd rather lose the belt than wind up on the wrong end of a bloodbath."

"The belt is what I want," Atlas said, "regardless of what I have to go through to get it. The North American title stands for some-

COULD YOU CHOOSE?

I'VE SEEN IT almost a hundred times. Stan Stasiak bends back the arm of his opponent, takes careful aim with his bandaged right fist, and then whams it into the opponent's heart area with all his power.

The results are always the same.

His opponent falls limp onto the floor, usually out cold. A stretcher has to be used to carry the poor victim back to the dressing room where a doctor administers a massage to the heart area. The victim usually has chest pains for weeks after being hit by Stasiak's punch

—a punch even Joe Frazier, Muhammad Ali or George Foreman would be knocked cold with.

To get a wrestler to explain what it's like to be hit with the heart punch is like trying to get someone to tell you what it's like to parachute out of an airplane. You just can't tell it like it really is. You have to go and do it yourself.

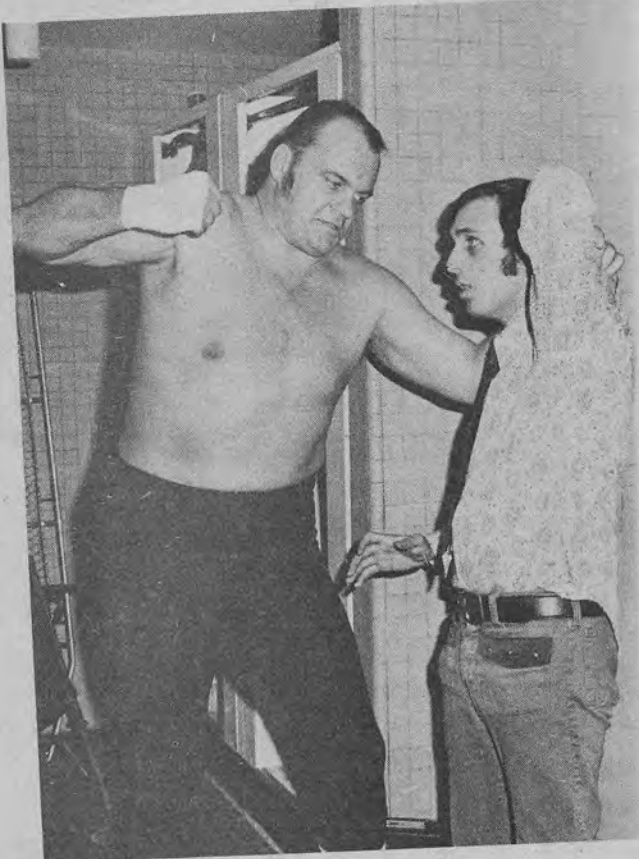

My curiosity got the better of me, as it has on several other occasions, and I wanted to experience the heart punch myself.

"He's crazy," the Grand Wizard told our editor when he approached him with the idea. "Stan would kill that little urchin."

Still, I wanted to try it.

"Of course I didn't punch him as hard as I can," admitted Stan Stasiak. "The last thing I need on my hands is a dead reporter!"

Left: Stasiak draws his fist back and is about to wham it into Bill Apter's heart area. Below: Contact is made and Apter feels the effect. "I must have gone out like a light immediately," he said.

"I SURVIVED STAN STASIAK'S HEART PUNCH... BUT NOT BY MUCH"

By BILL APTER

"Okay," the Wizard agreed. "But first you must sign a release that neither Stan Stasiak nor myself will be responsible for any permanent damage to his physical being."

A bit nervous but not willing to turn back, I trotted off to Stasiak's training quarters. He was busy preparing for his Texas Death Match against Pedros Morales.

The Wizard hurried me over to a corner of the training area.

"Stan's a very busy man," he explained. "We'll have to make this fast!"

Staring me in the face was a stretcher.

"We're prepared," Wizard pointed out, pointing to the stretcher.

"That's right," came a voice from the distance. "I hope you're prepared."

Stasiak came out of a dressing room and quickly headed for me.

"Okay kid, come over here,"

Stasiak demanded.

I walked over to him. He took my left arm, bent it, and then drew his fist back. I was shaking like a leaf.

"Wait!" cried the Wizard. "Let's get this on film!" He went back to the dressing area and returned with a camera. The waiting was driving me crazy. You could say I would have welcomed any nearby bathroom.

Again Stasiak took my left arm, bent it, and drew his arm back. Then he cocked his fist. The moment was nearing. How I wished I'd never asked to do this!

I was his fist in one split second make contact with my heart area. My breath grew extremely short. My eyes began to flicker. I thought I was watching an old time movie as I blacked out and came out of it maybe 10 times instantly. Then I went out altogether.

I awakened after what I had thought was a brief time. I was

on the stretcher. Pains filled my chest. I looked up and the Wizard was standing over me, laughing.

"I warned you," he chuckled, shaking his finger instructively.

"Man!" I said. "That was the most powerful thing I've ever felt."

"Apter!" the Wizard exclaimed. "He hit you with only one tenth the power he uses on his opponents!"

"Gulp," my throat seemed to say as I tried to catch my breath.

"Don't try to talk," Wizard warned. "It's worse if you do."

Then two men came in from a nearby hospital and wheeled me out on the stretcher. I was taken to the hospital in an ambulance for precautionary x-rays and observation.

A day later, after some rest, I was released.

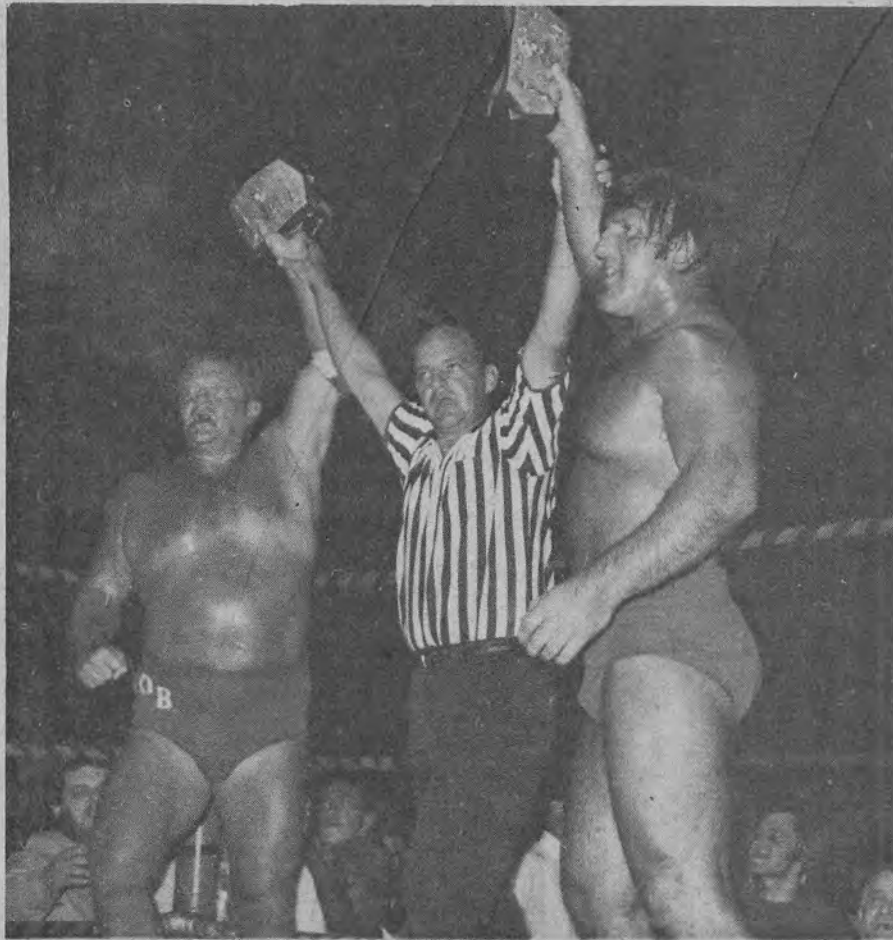

The chest pains still haven't ceased. Many times I wake up in the middle of the night short of breath.

My curiosity about the heart punch is satisfied. Next time I want to volunteer for an assignment like this, I'll think twice before I open my big mouth! □

Left: An unconscious Apter collapses in Stasiak's arms. "I could have killed him if I wanted to," Stasiak claims. Below: Apter waits to be taken to the hospital as a gloating Grand Wizard stands over him.

HAVE BRUNO AND BRUISER STOPPED

HAS BOBBY HEEHAN been shut up for good?

"I hope we've closed his big mouth!" Bruiser exclaimed.

He and his partner, Bruno Sammartino, totally wiped out Heenan, Ernie Ladd and Baron Von Raschke. Von Raschke and Ladd, who held the W.W.A. tag team title belts for almost a year, were whipped senseless before Bruno and Bruiser administered the final coup de grace to win the belts.

Now good news has come to the fans who hate Heenan and his clan. He's thinking of pulling out of the W.W.A. areas with his entire stable of wrestlers!

"We can't get a fair shake in W.W.A. towns," Heenan said disgustedly. "I really don't know where we'll go. Maybe to the A.W.A."

"Man, we don't want them here," said Bruiser's cousin,

Crusher, currently campaigning in A.W.A. territory. "I'm glad Bruno and my cousin finally shut Heenan's trap but if it brings him this way, I can't say I'm too happy."

"That goes double for me," noted A.W.A. champion Verne Gagne. "Heenan and his gang wrestled here and stirred up a heck of a lot of trouble. They almost murdered my son Greg. No, I hope he stays where he is or goes to the N.W.A. or W.W.W.F."

Heenan and his group have been scouting new areas. Bobby went into A.W.A. areas while Von Raschke took several dates in St. Louis and Kansas City, N.W.A. areas.

"Look," Heenan pointed out. "We'd like to stay in W.W.A. areas. The fans love us and we realize that. If they are smart they should draw up petitions to rid the

area of Bruiser and Sammartino. Then law and order will be restored."

"That's right," Von Raschke added. "Everyone knows that Bruiser is the dirtiest wrestler alive. I've always heard great things about this Sammartino but my good impressions went down the drain when he teamed with that savage Bruiser."

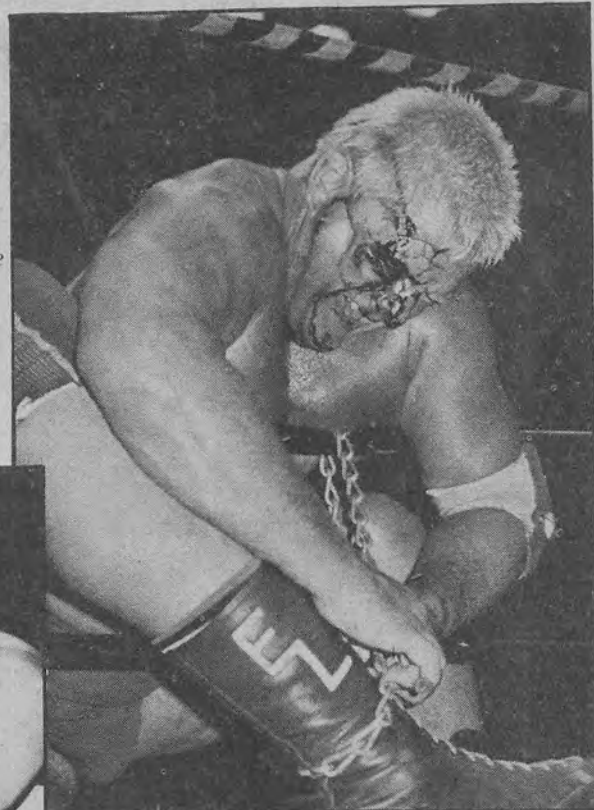

Bruiser has been trying to rid the W.W.A., or let's say the entire world, of Heenan and his clan for years.

"They're a menace," Bruiser said. "Going to another territory might not help one bit. I may follow them and I hope Bruno'll follow me. If you remember, when Heenan went to the A.W.A. years ago it was me and Crusher who

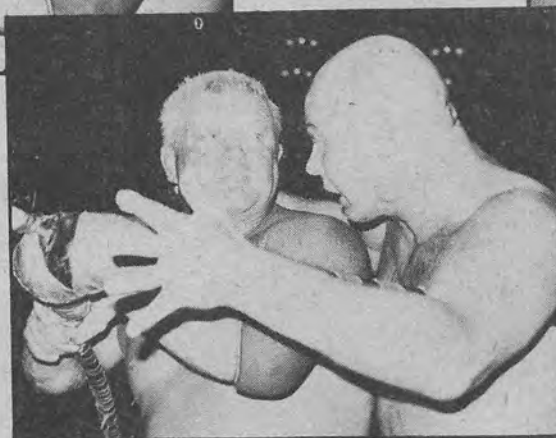

It looks like Bruno Sammartino and Bruiser have answered the prayers of many fans. Bobby Heenan and his gang of cutthroats may be run out of W.W.A. areas

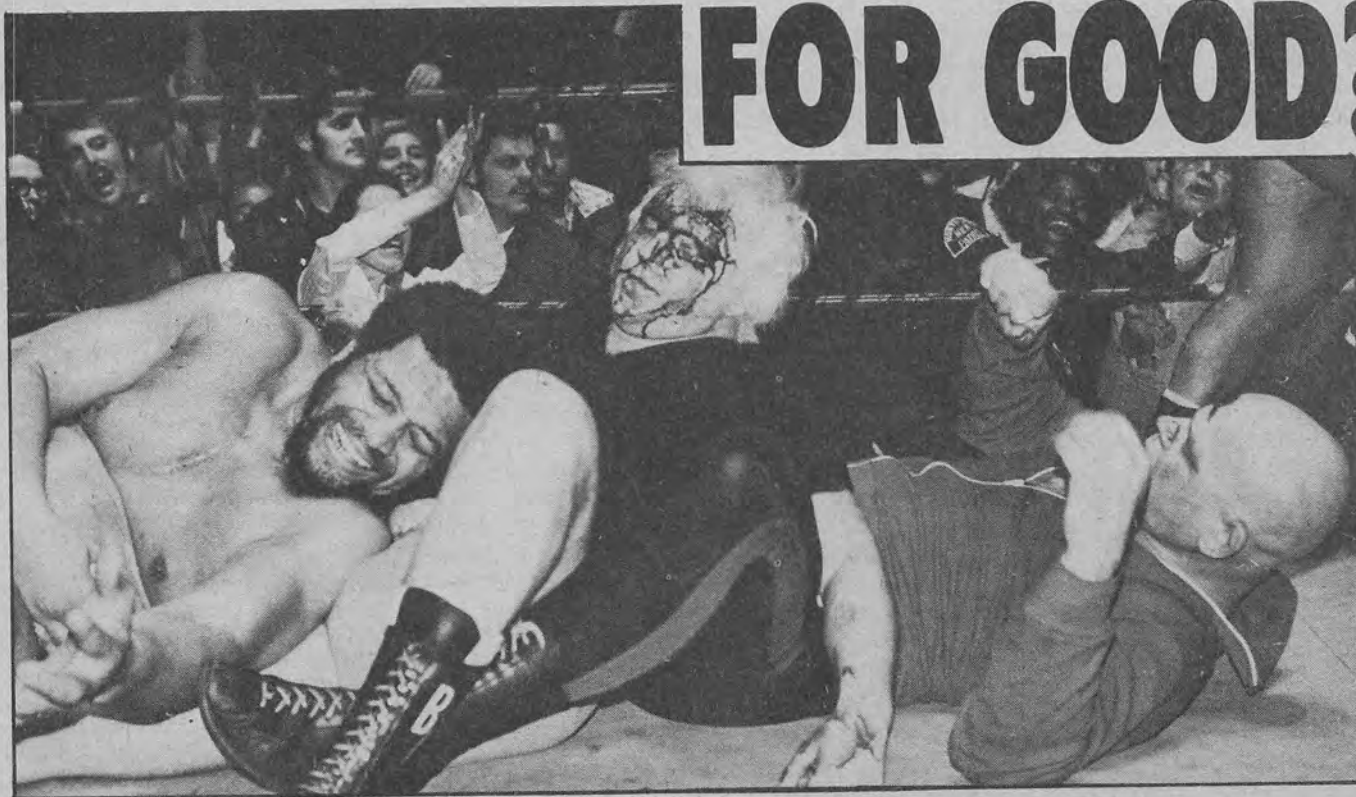

Right: A bloody and battered Bruiser ties the foot of Ernie Ladd to the ring rope with a chain. Unable to fight back, the immobile Ladd became a plaything for the revenge of Bruiser. Ernie wasn't freed until Bruiser and the fans thought he had been done in.

BOBBY HEENAN'S CREW FOR GOOD?

Bruiser, who is very happy to be getting revenge on Ladd, grabs Ernie (left) to fling him across the ring. Ladd's flight went as far as the ring post, which he greeted with his head. It was one of many moments when Ladd longed to be back on the gridiron.

ran him out. Now I had a hand in running him out of another area. Heenan, there's not much more room for you. You'll have to quit one of these days and I hope I'm the force that makes you decide when."

Bruno also has negative feelings about Heenan although he doesn't knot the man as well as Bruiser.

"He's a troublemaker," Bruno said. "Bobby Heenan has been taught a lesson. He's been shown that he can't get away with the tactics he pulls on everyone with people like Bruiser and myself around."

Sam Menacker, one of wrestling's top flight announcers, is glad Heenan might be leaving.

"I was so glad when Bruiser told me he'd contacted Bruno Sammartino," Sam said. "I'd heard so much about Bruno and knew that together they'd succeed in scaring Heenan out of town."

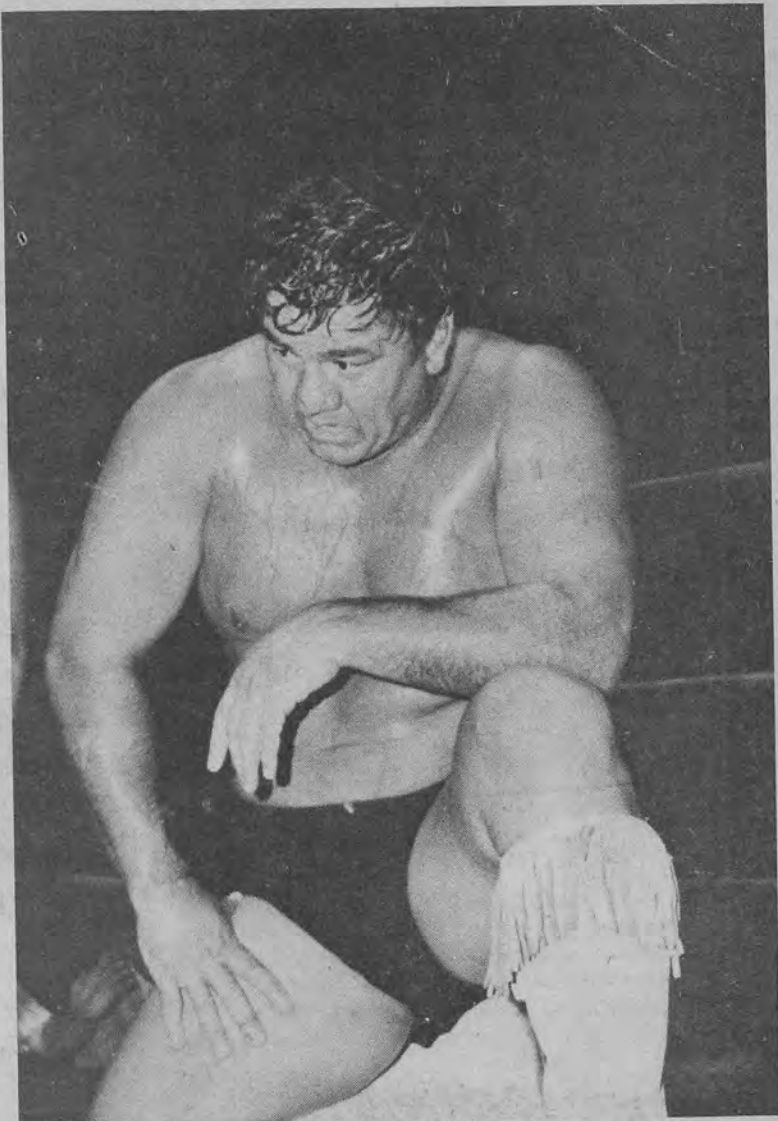

"Nobody's scaring me out of town!" was Heenan's fiery reaction when he heard Sam's comments. "I told you, we can't get a fair shake here. The referees are partial to anything Bruiser does."

"Right on!" big Ernie Ladd added. "Bobby is a great man. A great manager. I've had run-ins with Sammartino and Bruiser and everything Bobby says about them are true. But I want to add a few things."

"First of all, I can't believe anyone could root for either of them. They have no class or talent, man. That's why the fans usually stand

THE NIGHT CHIEF WAHOO WANTED TO CRY

Wahoo McDaniel thought it was in the bag. And it was until an angry referee cost Wahoo and Red Bastien the A.W.A. tag team title they'd already won!

WAHOO MCDANIEL WAS just about jumping up and down with excitement.

He was smiling like his friends never saw him smile before.

He was cracking a joke every three minutes, and he isn't known for being that jovial.

"What in hell are you so happy about?" asked a very close friend. "I've never seen you like this before. What happened? Did you win the sweepstakes? Did you just inherit a million dollars? Are you in love?" Wahoo just smiled and avoided the question.

"Aw, c'mon Wahoo," interrupted

his friend. "Look, I've known you all these years. You can level with me. I'm dying of curiosity. Why are you in such a good mood?"

"All right. All right," answered McDaniel. "There's no reason I can't tell you. Besides, everybody is gonna know before the week's out.

"Okay, here it is. You're gonna be the first person outside of Red Bastien and myself to know. Red and I are going to be the new A.W.A. tag team champions. Finally, after all these years, Wahoo McDaniel is going to be able to wear that belt. We're gonna do it."

"Look, I don't want to burst your bubble," interrupted the friend, "but how can you be so certain of something before it happens. Are you psychic? Look, I'm the first one to vouch for you being a top wrestler, maybe the best. But what if, just what if your opponents win? I mean even if you try your best, what if they pull some nasty trick and win?"

"I know you're really trying to be a friend and I won't be mad about your doubts," replied McDaniel. "But let me tell you, I'm positive this time it's gonna work."

WRESTLER ON THE "HOTSEAT"

The "Hotseat" is not a comfortable place to be. When we put a wrestler on the "Hotseat" we interview him. But it is more than just an interview. It is a no-holds-barred question and answer forum that probes beyond the obvious and seeks to find out what others are afraid to ask. The "Hotseat" pulls no punches and plays no favorites. It is the kind of in-depth feature you'll find nowhere else!

VICTOR RIVERA ADMITS:

Q: Victor, welcome to the "Hotseat."

A: I'm glad to be here.

Q: Vic, about a half a year ago your friends on the east coast urged you to go west because they felt you were wrestling in Pedro Morales' shadow. So you went west and won the Americas title and became a world known figure almost overnight. Are you glad you made the move?

A: I'm really glad I went to California. When I went there Ernie Ladd had the Americas title and I was very fortunate that the promoters gave me the opportunity to wrestle Ladd. I was lucky and I beat him to win the belt.

Q: When you first arrived there were you surprised to see your former enemy John Tolos being cheered?

A: Oh yes.

Q: What made you take a liking to him?

It's things like this (right), namely being choked by Ernie Ladd, that have forced Victor Rivera to throw rules by the wayside at times. "With a guy like Ladd," Victor explains, "you will get killed if you try to wrestle by the rule book."

"I WAS GOING CRAZY. I WAS REALLY HURT. I WAS OUT OF MY MIND" — VICTOR RIVERA

For many moons Victor and Pedro Morales shared tag team honors (left). "I prefer single matches now," Vic admits. Victor moved to the west coast because he was wrestling in Pedro's shadow.

was very fortunate to beat him. Then I was supposed to shave his head. But I couldn't do it to my good friend.

Q: Who finally did it?

A: Jimmy Lennon, the ring announcer.

Q: What happened after the hair-cut?

A: Well, he was bald. Totally bald. Then I went over to shake hands with him. He accepted. Then when I was leaving the ring, climbing through the ropes, he attacked me.

Q: What did he do?

A: He smashed my head into the ringpost. Then he slammed me inside the ring. Next he climbed the ropes and came crashing down on me.

Q: What happened next?

A: I felt a sharp pain in my neck — like a vein had been broken. All of a sudden blood started gushing out of my mouth like a waterfall. That's when Dr. Berhart Schwartz, the Olympic Auditorium doctor, came in to help. Some other wrestlers also came in to hold Tolos off while the doctor was giving me first aid.

Q: Were you out of your mind at this time?

A: Oh yeah. I was going crazy. I was really hurt. Then they took me

"SOMETIMES IT DOESN'T PAY TO STICK BY THE RULES"

A: We had a mutual hate — Ernie Ladd. We both wanted to run him out of town so we made it a joint effort. We teamed and whipped Ladd in a few tag team matches and really became close friends.

Q: Then what happened?

A: All of a sudden he said he wanted a shot at my Americas title.

Q: What was your reaction?

A: I liked the idea because I thought I'd have a good scientific

match with my friend.

Q: It didn't turn out that way, did it?

A: No. For some reason Tolos challenged me to a match in which the loser gets his head shaved.

Q: Did you agree to the terms of the match?

A: Yes I did. But I still didn't know why he wanted to do it that way.

Q: So what transpired?

A: After a very tough match I

"IF THEY SEE ME FLY OFF THE HANDLE IT'S ONLY BECAUSE I'M TRYING TO SURVIVE"—VICTOR RIVERA

to my dressing room.

Q: Did you go to the hospital?

A: Yes. I was there for a few weeks. When I got out I demanded a match against Tolos.

Q: Did you get it?

A: I did. Unfortunately it wound up a draw.

Q: Did you get a rematch?

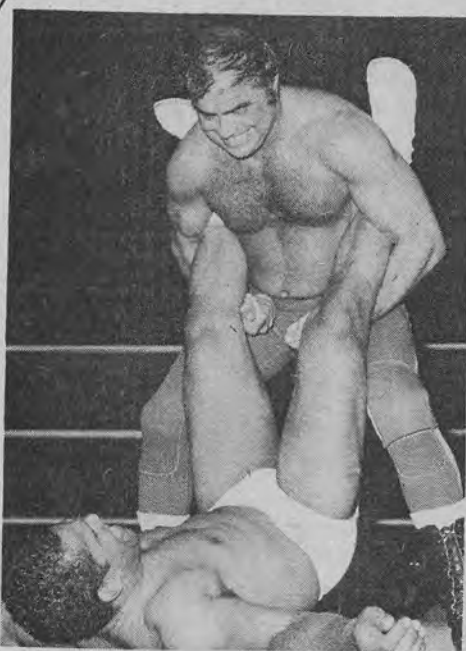

A: Yes. And I beat him. Then, two months later we wrestled again and he beat me for the Americas title.

Q: Many fans call him "Maniac" John Tolos because of the tactics he uses. Now many of the same fans are calling you a maniac because you seem to lose your cool so easily. Just as an example. You choked Tolos with his jacket before he had a chance to do anything in one of your matches.

A: Let me tell you something. When I go in the ring with a guy like Tolos, who is a *real* maniac, he doesn't care about carrying anything into the ring. Things like knives, pencils and other foreign objects. He wants to win that way. He likes to punish his opponents by tearing them open until they're bleeding to death.

A: What you're saying, in essence, is that you've got to get him before he gets you.

A: That's right. I have to think quickly and go after him. It's kill or

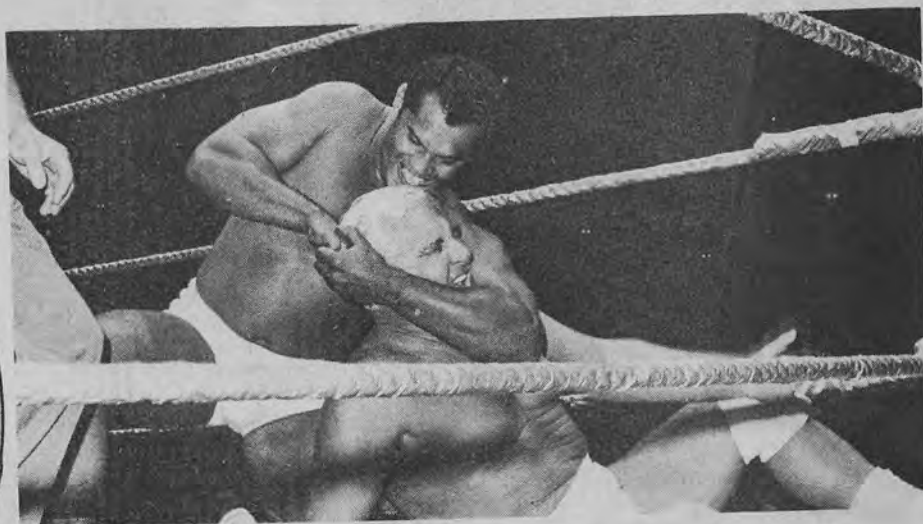

be killed. That's the way I look at it now.

Q: Victor, you went to California and won titles. On the east you didn't get any single titles, just tag team championships. Is wrestling in California easier than it is in the east?

A: No comment.

Q: Okay, an old enemy of yours, Fred Blassie, is in California and he's after Tolos. Will you befriend him like you did Tolos?

A: I haven't made up my mind. Mr. Blassie is a funny guy. He's got a split personality. He seems to be an okay guy. Everyone in California seems to share that opinion. I don't know what to say. Can we move on to another question?

Above: Victor applies a vicious chinlock on Fred Blassie, one of his sworn enemies. Both Blassie and Rivera are big fan favorites of California rooters. "Maybe we'll bury the hatchet," Victor says. But he says it warily.

Left: John Tolos prepares to put Victor in "the giant swing" and twirl him around the ring. After this match, in which the loser was to lose his hair—and Tolos did—Tolos went berserk and brutally attacked Victor, making him a bloody mess. Below: Victor's revenge sees him giving Tolos a taste of his own brand of medicine.

**"IT'S KILL OR BE KILLED.
THAT'S THE WAY I LOOK
AT IT NOW" —
VICTOR RIVERA**

Ernie Ladd smashes a beer can into Victor's skull (left) as the popular Puerto Rican tries in vain to escape. "Men like Ladd like to dish out punishment," Victor claims. "They're not satisfied with just winning their matches. They're out to kill," Victor won the Americas title from Ladd in California.

John Tolos comes smashing down on Victor's head for a second time (right) as Rivera lies unconscious. "I was a fool to be friend Tolos," Victor said. "I should have listened to my friends when they told me not to." Victor, an all-around athlete, admits that if he hadn't chosen wrestling as a career he'd have gone into pro baseball.

Tolos gets his head shaven by ring announcer Jimmy Lennon (left) because Victor didn't have the heart to do it!

Q: Sure. Do you prefer single matches or tag team matches?

A: Right now I'd say single matches. There's more glory in it and you get a chance at one-to-one combat throughout the match. There's no stopping when you're tired. You can't sit back and let your partner carry the load of the match if you're injured. The whole match rests upon you. You either make it or break it by yourself.

Q: Did your opinion differ about that at one time?

A: Yes. When I was in the east I was really getting to like tag teaming a whole lot better than singles. I won the W.W.W.F. title with Tony Marino and I teamed with Pedro Mo-

rales, Chief Strongbow and Manuel Soto many times.

Q: When did you realize that you liked single matches better?

A: I really don't know exactly when. Let's just say tag team matches are okay once in awhile but I prefer a single match.

Q: What is the greatest wrestling area in the United States?

A: If you're steering back to the who's got the better wrestling question, I still won't answer it.

Q: No, were not.

A: I like to wrestle all over. I really enjoy going to Japan. I've been there quite a few times and they've got terrific talent.

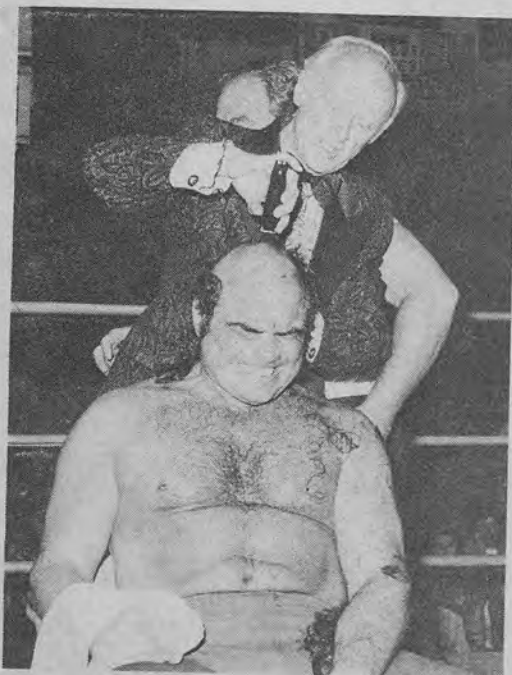

Q: Victor, if you hadn't chosen wrestling for your career what would you be doing today?

A: Something in sports. I love baseball. I played a lot of it when I was growing up. Maybe I would have become a fulltime ballplayer.

Q: Is there anything you'd like to say to your fans before we end the interview?

A: Yes. Let me make it clear that I want my fans to realize that when they see me fly off the handle it's only because I'm trying to survive. You can't be a nice guy all the time. I hope they'll understand.

Q: Thank you Victor.

THE NIGHT BOBBY SHANE SAW STARS

With Bobby Shane in command of Mr. Wrestling's arm (above) Judo Joe prepares to wallop the masked man with a judo chop. But Mr. Wrestling dropped down and the judo expert's chop landed on Shane's throat, almost knocking him unconscious. Note the ring decoration Shane tried to use as a weapon near Joe's legs. Mr. Wrestling (left) uses it to his advantage.

Photos By Gene Gordon

The next time Bobby Shane calls for outside assistance he'd better instruct his friends to belt the right guy

IF YOU CAN'T trust your own friends, then who can you trust?

That's something Bobby Shane, the self-appointed King of Wrestling, is spending a lot of time wondering about. But maybe if Shane spent more time fighting his own battles and less time depending on his friends, he wouldn't have that worry.

Shane's questions about his friends stem, most recently anyway, from a match against Mr. Wrestling Number 2. That match was undistinguished except for two things.

First, Shane was doing very poorly. Second, he called in his massive and ferocious Japanese friend, Judo Joe.

Shane's rule seems to be if you can't win on your own then call in anybody and everybody to help you. That's why he called on Joe.

of person. The girl that is chosen will be very lucky. I hope she can live up to Bobby's standards and keep his respect.

Bobby knows that he is a good wrestler. If he were not, he would not be on top.

I just had to defend Bobby against all the people like Jennifer, who are jealous of him. Thank you for listening to me.

THE HOME WHERE TERRY IS

Please do a story on Terry Funk at home. With him being the outdoor type, it would really be a super story. He is one of the best wrestlers around.

KELLI ANDERSON
Kansas City, Mo.

BEAUTIFUL BRISCO

It amused me to see all the controversy over Antoinette Granger's "Who Is Really Wrestling's Sex Symbol?" My vote goes to World Champ Jack Brisco!! He's got it all—charm, devastating eyes, gentle mannerisms, nice build, sexy voice, and last but not least, an honest, direct sense of sportmanship. Antoinette's comparison of giant Jean Ferre and singer Tom Jones had to stir up a lot of controversy!

I agree with Arlene Ugan's statement in the October issue, "There's only one Tom Jones and he is the best looking man I've ever seen!" I had a wild thought that would really rock wrestling and that is if Tom Jones, singer, turned wrestler. Wow!

JENNIFER WOOD
St. Petersburg, Fla.

EAST KNOCKS WEST

The east coast has the best wrestlers in the world! Example: Moose Morowski, who wrestled in the east, went to Texas and is now wrestling in main events. When he was in the east he couldn't do better than preliminaries.

Example: Stan Stasiak was a bloody mess after his matches with Pedro Morales. So what does he do? He goes down to Texas and demolishes everyone in sight.

Example: Bruno Sammartino goes to N.W.A. territory for a match with

Dory Funk, Jr. for the N.W.A. championship. So what happens? Harley Race defeats Funk for the title and within a month after he goes to N.W.A. territory, Bruno is wrestling for the championship.

There are many more examples too numerous to mention. The east coast wrestlers are the greatest. Don't believe a word anyone else tells you.

THOMAS OHANIAN
Providence, R.I.

SLAPPING MORALES' KNUCKLES

I would like to congratulate THE WRESTLER on being one of the few magazines who implicate the champs when it is necessary. I'm speaking of your excellent article in the September '73 issue entitled, "Did Pedro Morales Use Brass Knuckles On Don Leo Jonathan?"

How fans can go on as loyal worshippers of Morales after his deeds against the fabulous Mr. Jonathan absolutely baffles me. Although Morales used the knucks on Don Leo, he was right when he said that Don Leo didn't need the Grand Wizard's advice. Ever since I've seen Don Leo, he's performed quite capably without anyone at ringside to offer assistance.

After the rematch, Morales stated that Don Leo gave him his toughest title defense. If Morales rates Don Leo as his toughest opponent, why is Don Leo rated fourth instead of second? If Morales gives Don Leo another rematch, Morales should be checked for the knucks. Don Leo is the real champ!!!

AURELE WEBB
Lower Islands, Nova Scotia,
Canada

More and more fans are claiming that Pedro Morales (above) did use brass knuckles on Don Leo Jonathan. Billy Robinson (below) has been the subject of many features. More are coming!

ROBINSON ROOTER

How come there are no stories on one of the greatest, if not the greatest, wrestler in the world, Billy Robinson. He is the best wrestler I have ever seen. In my opinion, he can beat Gagne, Bruno, Race, Funk, or any other wrestler any day of the year.

Besides being an outstanding athlete, he is so friendly with fans and a great gentleman. No matter where he goes, he is loved by the fans. Please do an article on him.

GERIANNE VAN VOORHIS
Shiocton, Wis.

GA-GA ABOUT GRAHAM

For several months now I have been reading about this super sex symbol, Superstar Billy Graham. Curiosity finally got to me, so when he appeared in my local arena, I went to the matches.

He is all I could have imagined. His body is massive. His appearance is super sexy. His style is powerful. I became a fan of his that night when, to top it off, he gave me a look of arrogance while displaying his magnificent body. What do I do to start a fan club for him?

JOAN DEVINE
Chicago, Illinois

Editor's note — You can't start any fan club rolling without written permission from the wrestler being honored. For full details about starting a fan club see the article in the 1972 WRESTLING ANNUAL #3.

TONY IS TERRIFIC!

I think Tony Garea is one of the greatest looking guys in the world today. I really dig the way he flies

Sweat dripping down his body, Tony Garea rests between falls of a grueling match. Tony's rooters want to see more stories about him. We'll try!

through the air. He shows speed, he shows stamina, he shows agility, and just about everything you would expect of a great wrestler. So keep those stories on Tony pouring in. I could never get enough of him.

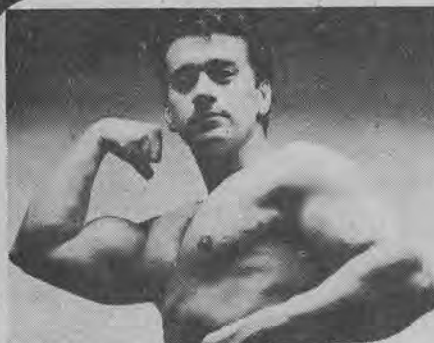

MARY ZERBO
Brooklyn, N.Y.

STEELE AWAY!

George Steele is my choice for Villain of the Year. This man is a maniac and should be barred from professional wrestling. He recently wrestled Gorilla Monsoon in Madison Square Garden. When the match was over it looked like a cyclone hit the place. Turnbuckles were chewed up, the ring apron was torn, and everything else was turned upside down. That is why I nominate George (The Animal) Steele for Villain of the Year.

IRVING BAUM
Brooklyn, N.Y.

Editor's Note: Don't miss the December 1973 issue of THE WRESTLER in which in an exclusive story, psychologist Manfred E. Wilson analyzes George Steele! □

WRESTLING CAPITALS (Continued from Page 16)

Von Raschke, while Pedro Morales defended his W.W.W.F. title for the second time here against Eric The Red.

Before getting into action against Morales, Eric was reluctant to let go of the bone he carries. Well, while he was arguing with the referee, Pedro dropkicked Eric and the bone went flying and so did Eric!

Then Pedro slugged Eric for all he was worth. Pedro's aerial maneuvers dazed the massive man from Denmark. Pedro was in the driver's seat until Eric threw him over the top rope and onto the cement floor.

Every time the bewildered champ tried to enter the ring, Eric would smash Pedro's head on the ring apron. Finally, the referee held Eric back and Pedro came into the ring, steaming mad. He slugged away at Eric. Then he body slammed him, helped him up, threw him into the ropes, and stopped him with a "jack knife" on the rebound.

The Bruiser and Bruno Sammartino were not as lucky as Morales. The undefeated team finally tasted defeat at the hands of Baron Von Raschke and Mexican heavyweight champion Ricky Cortez.

The match was originally scheduled as Von Raschke and Killer Kowalski teaming but due to a death in Kowalski's family the Killer could not show.

Thus, Cortez, who was scheduled to grapple Luis Martinez, was asked to fill in.

Bruiser immediately went after Baron Von Raschke and tore off his cape. Many times Bruno bopped Cortez's manager, George "I Am

Pedro Morales (above) had his hands full with Eric The Animal. Bruno and Bruiser (below) were whipped by foul tactics used by Ricki Cortez.

Right" Cannon, while Bruiser chased Bobby Heenan, Von Raschke's manager around the ring.

The end came when Bruno was body blocking Von Raschke. Bruno tried once too often. As he came off the ropes the fourth time, the Baron hit the mat and Bruno jumped over the arrogant German star right into the upraised knee of Cortez! Ricky jumped over the top rope and illegally pinned the former world champion!

After Bruno and Bruiser realized what had happened, they went wild! They grabbed the first thing they could get their hands on, which was Heenan! Poor Bobby. He really received a beating. Protests failed to see the Athletic commission reverse the decision. Now Bruno's gunnin' for Cortez! □

BOBBY SHANE

(Continued from Page 44)

Shane grabbed Mr. Wrestling from behind and held his arms while the monstrous looking Joe came in for the attack. Joe readied his hands to plow into Mr. Wrestling's face, when the intended victim managed to drop down and avoid the impact.

The forceful combination judo chop and punch landed instead on Bobby, knocking him to the canvas in seconds. Judo Joe retreated into the audience in extreme embarrassment.

Unable to stop Mr. Wrestling, Shane gets a taste of his own medicine. How's it feel, Bob?

Now it was Mr. Wrestling's turn. He was furious over the planned two-on-one assault on him, even if it didn't work out as Shane planned.

If Bobby could call a friend into the battle, then Mr. Wrestling Number 2 could call on a little help of his own.

He grabbed the patriotic bunting off the side of the apron and tried to stuff it down Shane's throat. Then he wrapped it around Bobby's neck.

Bobby was still half conscious but aware that Mr. Wrestling Number 2 was not letting him forget about his calling on Judo Joe. He was really rubbing it in—the red, white, blue and stars.

And up to the time the referee called him off, it was the night Bobby Shane saw stars! □

Former FBI Agent* Tells How to Avoid Bugging & Privacy Invasion

Reveals All For Public's Protection

***WILLIAM W. TURNER, Special Agent of the FBI for 10 years. He graduated from the Bureau's "Sound School" and handled bugging and wiretapping cases.**

Illegal eavesdropping (bugging) is one of the fastest growing and most difficult to detect crimes. Watergate made headlines because the alleged conspirators were caught—but most wiretappers and buggers are never caught. The Government alone listened to 1,250,000 "private" conversations in 1972 *without court permission*. And were 10,000,000 . . . 25,000,000 more bugs placed in homes, offices, apartments by blackmailers, jealous husbands and wives, business competitors—even the kid next door who built a transmitter with \$10 worth of parts?

The Only Way To Protect Your Privacy Is To Learn All The Secrets Bugging Experts Know

William W. Turner reveals all these secrets in his 192-page illustrated book, **"HOW TO AVOID ELECTRONIC EAVESDROPPING AND PRIVACY INVASION."** Now, learn how bugging is done without the victim's knowledge . . . what equipment is used . . . how it is installed . . . how entries are made secretly and illegally. Subjects include:

- **How Your Telephone Can Be Used By An Eavesdropper 1,000 Miles Away . . .** Yes, the "harmonica bug" turns your phone into a spy—even when it's not off the hook.
- **How To Use Your TV Set as a Bug Sniffer and Locator . . .** step-by-step instructions in layman's language; also how to use other appliances as bug detectors.
- **How Industrial Spies Operate;** fascinating case histories; are your business secrets safe? How can you protect them from spies and competitors?
- **Read About: Inmates Who Bugged Their Warden;** The Bugged Gift; Bumper Beepers that Bug your Auto; White Sound—How It Thwarts The Bug; Voice Scramblers—How they work.
- **Sophisticated Bugs—**Descriptions plus Complete Instructions for Locating Them and Removing Their Threat. • Sub-Miniature Microphones • Parabolic ("Big Ear") Listening Devices • Shotgun Mike • Spike Mike • Stethoscope Mike . . . and many more.

IF YOU HAVE EVER MADE THESE STATEMENTS . . . YOU NEED WILLIAM TURNER'S BOOK!

- *"I shouldn't discuss this over the telephone."*
- *"If Mary found out about you, she would divorce me."*
- *"If our competitors knew we were working on this, they could get a head start."*
- *"If the boss knew about us, I'd lose my job."*

□ AVOID BLACK BOX "DEBUGGING" CON ARTISTS

Now capitalizing on citizens who want to protect their privacy, these unscrupulous "experts" charge up to \$10,000 for a bug search, according to a story in a leading newspaper. "How To Avoid Electronic Eavesdropping and Privacy Invasion" saves you many times its cost.

Protect yourself against privacy invasion, character assassination, blackmail, scandal and business losses. Send for one of the most startling and alarming books of the century. . .

CHIEF WAHOO

(Continued from Page 37)

Stevens and Bockwinkle have
won—even though they lost!
They were disqualified, again,
and retained their title.

"For a year now I've been trying
to grab that championship from
Bockwinkle and Stevens. Those
guys don't deserve to wear those
belts. They're unqualified. But
they're also tricky. When I team-
ed with Crusher, then with Don
Muraco and with Geoff Portz
we couldn't do it.

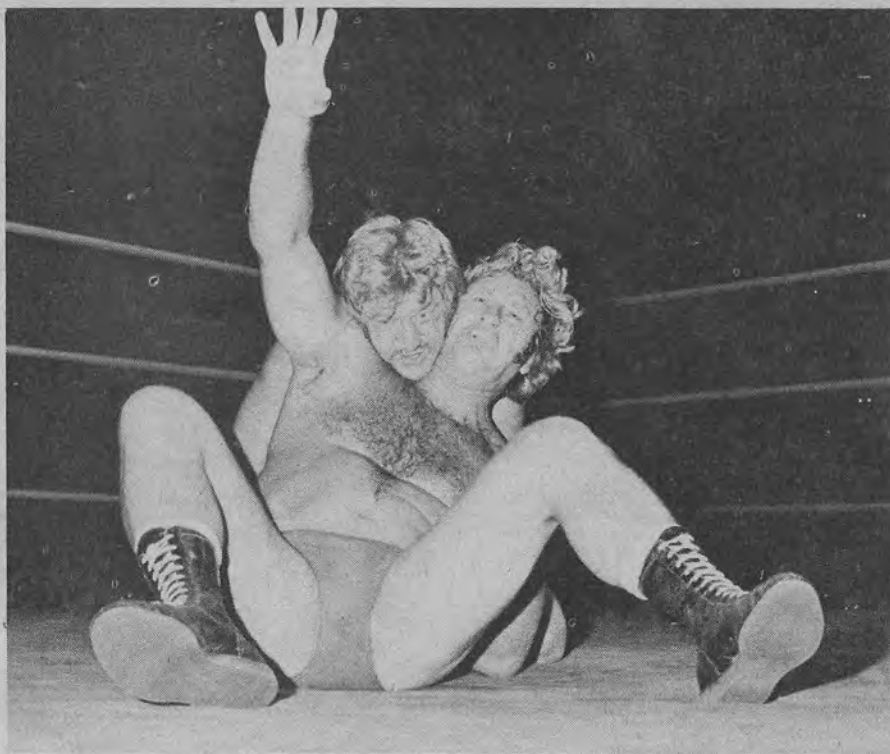

"It wasn't that we weren't good.
We were damn good. It's just that
those guys are so sneaky. And when
they know they're gonna lose,
they figure out how to get dis-
qualified instead, so they never
lose the title.

"But this time, it's gonna be
different. Really different! This
time we're prepared—for anything.
We're ready! Really ready! First of
all we trained harder for this match
than we ever trained in our lives.
Then we worked out strategy,
not just strategy to win, but strate-
gy for every possible sneaky move
that Nick Bockwinkle and Ray
Stevens could conceivably try.

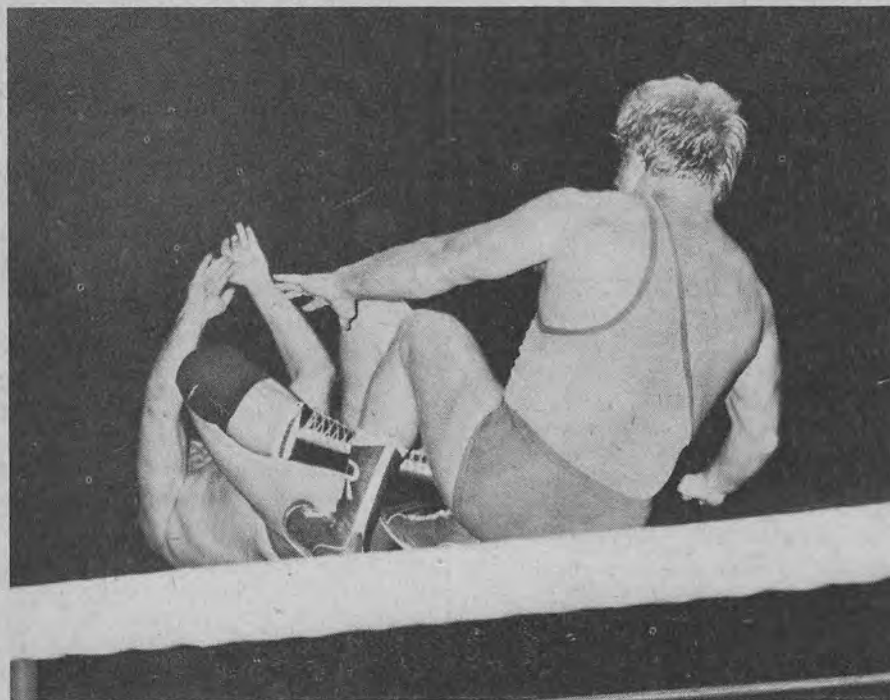

"We know exactly, and I mean
exactly, what to do in case of any-
thing. We can't help but win and
they can't help but lose. Dis-
qualification—it'll never work for
them this time.

"Believe me, this time around
we will walk off with the tag team
championship. We've got it made."

Wahoo kept that confidence right
up to the time of the match. Mc-

Bockwinkle tries to bounce on his behind (above) to get over to the ropes so Red Bastien will be forced to break the hammerlock he's got on Nick. When Red squared off against Stevens they both got the same idea at the same time—flying dropkicks. And this (below) is the result. Both were stunned for several moments when they crash landed. Then Red rocked Ray with a flying scissors.

Daniel and Bastien were both smiling. "Okay, remember this day—it'll be the day we became champions," boasted Bastien.

McDaniel and Bastien, from the first moment of the match, were moving so fast people were wondering who'd wound them up. They were

kneedropping, dropkicking, flying off the ropes, bounding into Bockwinkle and Stevens, and putting them into a succession of holds that was evidently tiring the champions.

Once the match seemed certain

CHIEF WAHOO (Continued from Page 51)

While Red bodyslams Bockwinkle (above), Wahoo makes his way into the ring to ward off any double teaming ideas Ray Stevens might have. Red makes Stevens a victim of a combination armlock and stomp (left) and Ray doesn't like it one bit. Shortly after this, Wahoo upset Stevens for the win and then the decision was reversed.

to be moving into the control of the challengers, Bockwinkle and Stevens both tried several dirty tactics, every one of which would have certainly disqualified them if the referee caught on.

At one point Bockwinkle took over from his partner after being handed something that looked like sandpaper by a man in the audience. But just before Bockwinkle started wrestling, Red knocked the object out of his hand. The referee didn't see it.

When Stevens launched a wrestling boot directly for Wahoo's

groin, McDaniel quickly darted out of the way, sparing himself from pain and forcing Ray to wind up on his rear end. But the challengers didn't say a word to the referee about the kick.

The challengers had planned it very carefully. They did everything necessary to keep the champions from disqualifying themselves.

Then McDaniel got Stevens for the pin and it was all over. The referee moved to the microphone to announce the winner.

"The winner is," he began, while

Long smiles shining across their faces (above), Wahoo and Red await the A.W.A. belts—but they will never come. Wahoo calls instructions to Red (below) as Red punishes Nick.

Wahoo and Bastien were gleaming with pride. "The winner is aaarrrrghhhh!!!"

The referee suddenly dropped his hand from the microphone and grabbed his shin instead. He glared hatefully at Bockwinkle who just kicked him there.

"You're disqualified—both of you!" he yelled. Bockwinkle and Stevens were disqualified. McDaniel and Stevens' faces seemed to drop to the canvas. They kicked the ringpost and moved sullenly to their dressing rooms.

Wahoo McDaniel walked with his head down. He was sad like his friends never saw him sad before. He looked like he wanted to cry. He was keeping silent for hours at a time, and he isn't known for being that quiet...

played professional soccer for the Chelsea F.C. At the age of 22 I made the transition from amateur to professional in wrestling. I have absolutely no regrets about discarding soccer for wrestling. In this sport, you are truly on your own and this is why I shine so brightly.

While residing in my native country I was the elected Conservative member for the Canonbury Ward of Islington in London and duly represented my electorate as Councillor to the government. During this time I made the acquaintance of Prince Philip, who became a good fan of wrestling and often visited the Albert Hall to see my bouts.

I formally held the British heavy-weight championship and title belt, but had to relinquish these when I began touring around the world. For this reason I am particularly anxious to garner as many regional crowns as possible. I know

Of course, the honor now belonging to Brisco is the thing for which I most long. I know Brisco only by reputation, so I cannot venture an opinion as how a match between us would go. I can say, however, that I would not allow myself to be cheated out of what is rightfully mine. As dear Roger often says, "Do it to them before they do it to you!"

Some fans have questioned me as to whether or not I may again change my style to concentrate on pure, scientific wrestling. I answer that I cannot forecast the future, but that at this time I am confident that I am doing what is right for me.

Roger and I have worlds to conquer as a team. As an individual, I also have goals to reach. And I will reach them, doing whatever I feel I must do inside that squared circle. ☐

BLOOD VS. BELT

(Continued from Page 31)

However, it wasn't as easy as Omar makes it sound. Because in this match he did something considered almost impossible. He shook off the effects of the devastating and deadly piledriver!

It happened after about five minutes. Hayes weakened him with a series of punches, kicks to the throat and knees to the groin. Then he leaped off the top rope and landed on Omar's throat with a vicious knee drop. Hayes picked Atlas up, flipped him upside down, got his head between his legs and slammed him to the canvas. It appeared to be the end for Omar.

Instead of going for the pin, however, Hayes allowed Atlas to remain on the canvas while he strutted around the ring, challenging fans to dare step in there with him.

When some of the angry Edmontonians seemed willing to take Hayes up on that offer he returned to the business at hand. Unfortunately for him, the time spent parading around the ring and arguing with the fans gave Omar a chance to recover. He wasn't exactly rarin' to go, but he still had something left.

"It was at that point," Omar remembers, "that I was thinking of only one thing. Survival. I had to buy time. I was groggy and he could've finished me off. I had only one thing going for me. The element of surprise. I don't think Hayes knew how badly I was hurt. I couldn't let him know. I had to go on the offensive and surprise him with tactics he wouldn't expect."

And that's what Omar did.

As Hayes approached he was met with a smashing right hand to the midsection. Then Omar got up and dropped the champion with a murderous knee to the jaw. He picked Hayes up and rammed him into the corner turnbuckle—face first. Again and again and again. Suddenly Hayes' face was a mask of blood.

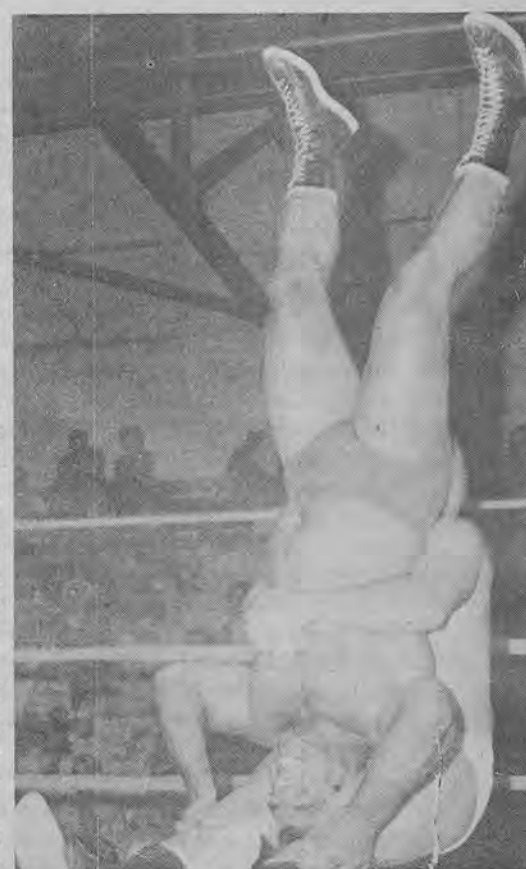

But Omar wasn't through yet.

He turned Hayes around, wound up, and delivered a tremendous right hand. Gil, his blond hair turning red, toppled like a giant redwood.

By this time Atlas had gotten all his strength back. But there was no

Hayes hammers Atlas with a vicious kneedrop which almost crushes Omar's windpipe (above). A pile driver by Hayes (below) sends the mauled Omar crashing into the hard canvas.

sense stopping now. With Hayes flat on his back, Omar sat on his stomach and began choking him!

At this point, the referee, fearing Hayes had lost way too much blood, stopped the battle. But neither Atlas nor Hayes paid the referee the least bit of attention.

They continued their struggle for 10 minutes! Other wrestlers poured out of the dressing rooms to try and stop it. And when they did, Hayes and Atlas forgot about each other and began fighting with the other wrestlers so they could get them out of there and continue their own war.

They almost succeeded, too. Most of the would-be helpers fled, but then, all together, they charged Atlas, lifted him up, and carried him—kicking and screaming—back to the dressing room. Hayes, with no one left to battle, staggered back to his dressing room on his own.

Atlas was angry about the bout having been stopped and being declared a draw and about being carried back to the dressing room. Philosophically, he vowed he'd "wait till next time" to get Hayes' belt.

Hayes? He wasn't talking. He was too concerned about his beautiful blond hair, now stained a deep, blood red.

An Important Message To Every Man and Woman In America Losing His or Her Hair

HOW COMATE WORKS ON YOUR SCALP

The development of an amazing new hair and scalp medicine called Comate is specifically designed to control seborrhea and stop the hair loss it causes. It offers the opportunity to thousands of men and women losing their hair to bacterial infection to reverse the battle they are now losing on their scalps. By stopping this impediment to normal hair growth, new hairs can grow as Nature intended.

This is how Comate works: (1) It combines in a single scale treatment the essential corrective factors for normal hair growth. By its rubifacient action it stimulates blood circulation to the scalp, thereby supplying more nutrition to still-alive hair follicles. (2) As a highly effective antiseptic, Comate kills on contact the seborrhea-causing scalp bacteria believed to be a cause of baldness. (3) By its keratolytic action it dissolves ugly dandruff. By tending to normalize the lubrication of the hair shaft it corrects excessively dry and oily hair. It eliminates head scales and scalp itch.

In short, Comate offers you in a single treatment the best that modern medicine has developed for the preservation of your hair. There is no excuse today except ignorance for any man or woman to neglect seborrhea and pay the penalty of hair loss.

COMATE IS UNCONDITIONALLY GUARANTEED

To you we offer this UNCONDITIONAL GUARANTEE. Treat your scalp to Comate in your own home, following the simple directions. See for yourself in your own mirror how after a few treatments, Comate makes your hair look thicker and alive. How Comate ends your dandruff, stops your scalp itch. How Comate gives your hair a chance to grow. Most men and women report results after the first treatment, some take longer. But we say this to you. If, for any reason, you are not completely satisfied with the improvement in your own case — AT ANY TIME — return the unused portion for a prompt refund. No questions asked.

But don't delay. For the sake of your hair, order Comate today. Nothing — not even Comate — can grow hair from dead follicles. Fill out the coupon now, and take the first step toward a good head of hair again.

GREG GAGNE (Continued from Page 25)

Fed up with Crouch's foul tactics, Greg clenches his fist and slugs away (above). Greg waves to his legion of fans (below) before a match. For a relative newcomer, he's extremely popular.

April 15th, 1973 was a nerve racking day for Greg and his father. All day they worked strenuously for his debut match in Minnesota that night.

"Greg passed the test with flying colors," Verne remembers. "I was so proud the way he handled his opponent. I heard many people in the audience saying 'Hey, he reminds me of Gagne years ago.' What a great feeling."

"I was a nervous wreck," Greg told his dad shortly after the match. "But the butterflies are gone now. I'm ready for any kind of action."

Bill Crouch, one of Greg's recent opponents, had this to say about the young sensation.

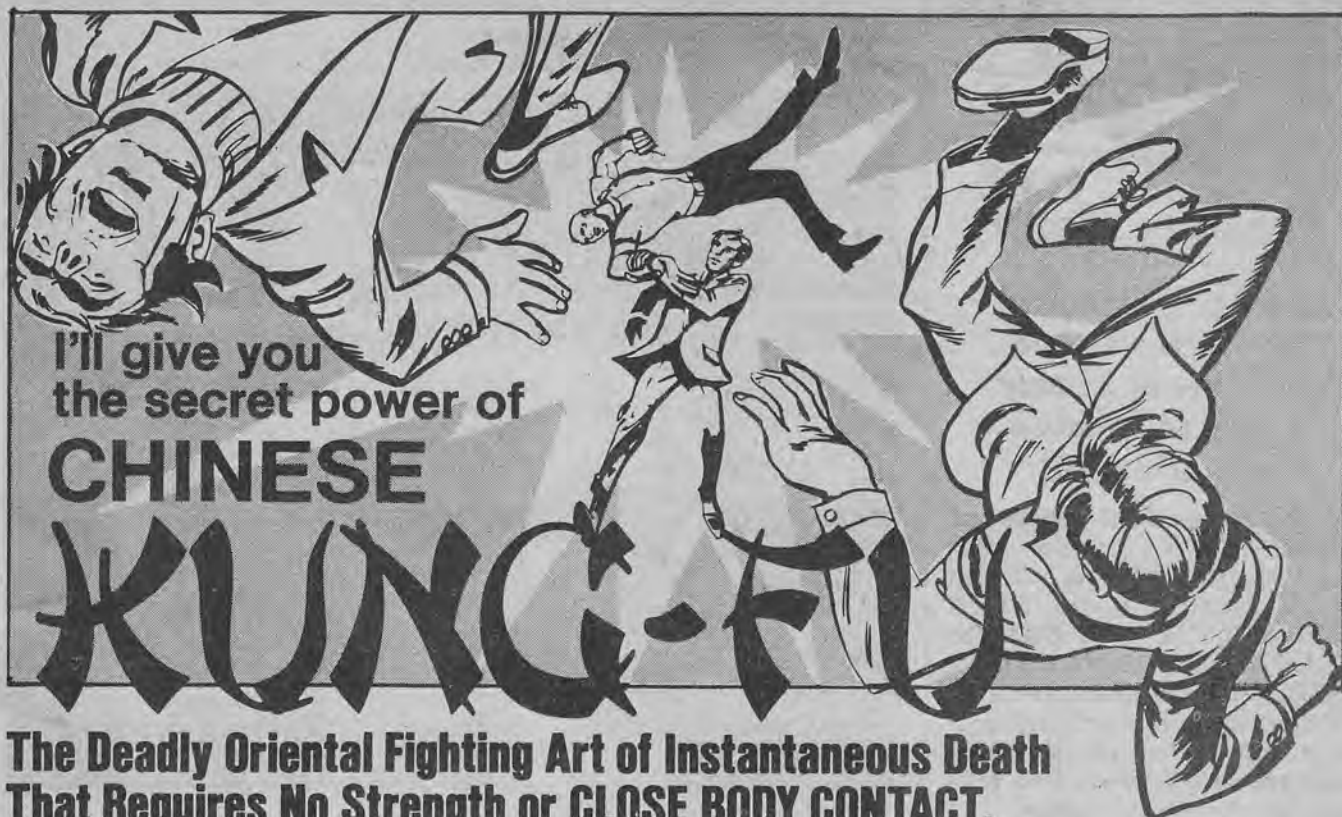

"Don't underestimate him because he's young. I did—and man was I sorry. He's got the Verne Gagne dropkick, the Verne Gagne flying headscissor and other holds. Man, I wonder if his old man is gonna teach him the sleeper hold."

"In time," Verne said. "Not now. He's not ready for it yet. Let's say I don't want him to run before he can walk. He's got a lot of basic things he's got to learn first."

Greg's immediate plans include putting on more weight and a tour of Japan.

"I'm eating as much as I can and exercising as much as I can," Greg said. "More weight will be beneficial to me."

"After I get back from Japan, if all goes well, I'd like to try and get a match against Danny Hodge, the World Junior Lightweight champion. But I've got to leave the matchmaking up to my father for awhile. After all, like the old television series says, father knows best!" □

The Deadly Oriental Fighting Art of Instantaneous Death That Requires No Strength or CLOSE BODY CONTACT.

- ★ Self-defense without torturous training or rigorous exercise.
- ★ Instant self-defense for the weak, the defenseless, the fearful and the untrained.
- ★ Makes your body a live fighting machine! Hands, feet, elbows even fingers become deadly weapons of defense.
- ★ Faster, deadlier and easier than Judo, Savate or Karate.

Revealed at last! The most secret, the most respected, the most effective of all the Oriental fighting arts—KUNG FU. So simple that if you can read then you can easily master the theory of this "Flick-of-the-wrist" technique. KUNG FU works on a secret principle yet its deadly force is easy to learn and easier still to apply. KUNG FU can take any one * without training and make him a fighting machine in seconds.

THE SECRET OF KUNG FU REVEALED AT LAST

KUNG FU is a fantastic method of self-defense that was buried in the mysteries of the past. Once a part of a mystic Oriental rite, its deadly fighting secrets were only taught by Shaolin Priests to those considered worthy only after years of preparation and testing. KUNG FU was hidden from the public! Yet in spite of serious efforts to keep it from the world, word of its amazing power spread. Masters of other fighting arts soon learned to fear and respect its techniques. They learned that KUNG FU harnesses certain dormant forces within you, enabling you to disable and destroy with just a lightning flick-of-the-wrist, and that KUNG FU requires no strength or extraordinary skills, in fact KUNG FU's brilliant defense never requires strength, size or undue exertion.

HOW KUNG FU WORKS

KUNG FU is based on a simple yet lethally effective principle. It is not necessary to physically match strength with your opponent in order to overcome his attack. You harness the enormous natural power of your own movements. KUNG FU shows you how to take advantage of these fundamental laws of natural movement. Your rhythm is added to the very movement against you... so that all forces are added together and unleashed against your opponent. This is KUNG FU—a force so simple yet so devastating that its techniques have stunned the world.

KUNG FU IS BETTER THAN OTHER FORMS OF SELF DEFENSE

KUNG FU is better than all other forms of self defense! Its secret lies in its simplicity and in its ability to overcome an attacker WITHOUT INTRICATE BODY CONTACT. Now, if you can read or look at pictures then you should be able

to master the theory of this "Flick-of-the-wrist" technique. **YOU CAN WIN... EVEN IF YOUR OPPONENT IS BIGGER AND STRONGER THAN YOU.** You can win if your attacker surprises you. And more—KUNG FU means deadly, often crippling self defense where every part of your body is a fearful weapon. Your feet, your hands, your elbows, your fingers become lethal weapons WITHOUT REQUIRING SUPER MUSCLE-POWER OR BRUTE FORCE. And you can do all this without years of training, special exercises, and especially hundreds of dollars in cost.

WHAT KUNG FU WILL MEAN TO YOU

With so many crimes of violence about us you could be in danger—anytime—of being hurt or worse humiliated! **BUT NOW YOU CAN DO SOMETHING ABOUT IT. You can protect yourself, your family and your property with deadly efficiency in mere seconds.** Yes, and you can do it without years of training, hundreds of dollars in cost, and without long, painful practice. Regardless of size, strength or build you can beat the bullies and better the odds. Thanks to KUNG FU you need never be afraid again. You too can learn to overcome the fear of being shamed. You too can be the one that gives the beating! You too can control threatening, dangerous situations.

WHY KUNG FU MAKES ALL THIS POSSIBLE

Why??? Because KUNG FU is as deadly as it is simple. And it works for anyone.* Other forms of self defense like Judo or Karate require something special such as strength, speed, etc., to say nothing of endless practice. A Judo Black Belt Master,

for example, must practice technique after technique... and take years to master it all. **NOT SO WITH KUNG FU!** It's based on an entirely different concept. Technique and form aren't very important. **DEFENSE IS!** KUNG FU is designed to help you defend yourself in most situations* with an absolute minimum in effort and a maximum in protection.

COMPLETE COURSE REVEALED NOTHING ELSE TO LEARN

The SECRETS OF KUNG FU are fully revealed in one amazing "how to" book. The course comes complete and there's nothing else to learn or buy. You find all the secrets, principles and techniques simple to master and easy to apply. You don't need any special apparatus or practice dummies. And once you master the SECRETS OF KUNG FU you can forget about other systems and other methods. Now, in the privacy of your home, you can learn the deadliest fighting secrets of all time at your very own pace! In just minutes you can find out how to deliver a crippling blow that leaves your opponent powerless and more... in seconds you can learn how to destroy your attacker's ability to fight... and much, much more. The fully revealed SECRETS OF KUNG FU, are so sensational that we make you this surprising UNCONDITIONAL 3 WAY GUARANTEE. You must be satisfied not just one way but fully 3 different ways or it costs you nothing.

BRUNO AND BRUISER

(Continued from Page 36)

pat behind me, Bobby and the Baron. Now, I disagree with Bobby. We shouldn't leave this area. That way Bruiser will get his wish. He wants to see us leave so he can fool the people into thinking he's a wrestler. But Bobby's the boss. I'll do what he says.

"Let me say this baby," Ladd continued. "I'll get Bruiser and Sammartino for saying and doing things against Bobby. They have no right to do it. They unmercifully attacked poor Bobby and beat him bloody. You call that sportsmanship? I call it CHEAP! That's the only kind of tactics Sammartino and Bruiser know. Cheap tricks."

When does Heenan plan to leave the W.W.A.?

"I don't know yet," he said. "First I want to get the belts back for my men. I want them to tear Sammartino and Bruiser apart and show them what real wrestling is like. I also want a different referee. That guy who refereed the title match must've been paid off by Bruiser and Sammartino. How else could they have won?"

"Let me put some cards on the table," Heenan added. "It's a known fact that whenever I'm at ringside calling instructions to my men, Bruiser starts trouble with me. The W.W.A. hasn't banned managers at ringside. He had better learn to keep his hands off. I never start anything with him. I'm just doing my job and not interfering with the match."

"Next, Sammartino is the guy everyone calls a clean wrestler. He slammed Ernie before the title match. Ernie didn't even have a chance to get his jacket or his belt off."

"Bruiser brings foreign objects into the ring. My men don't. He brought a chain into a match against him. Ernie had to grab it from him and stop him by beating him with it."

Bruiser denies that charge. "Ladd brought it into the ring," Bruiser claims. "Look, everyone knows that he brings in foreign objects. I'd love to unravel the

tape on that so-called injured thumb of his and see what the hell he's got under it. It's probably a razor blade. That thumb's been taped up since he started wrestling."

Several rematches have seen Ladd and Von Raschke fail to regain the title. And Heenan sticks to his excuse that his men were not treated fairly by the referee.

"Heenan will go on making excuses till doomsday," Bruiser quipped. "That poor excuse for a human being should write a book titled, 'A Thousand And One Excuses For All Occasions.' It'd be a million seller!"

The only million seller that Heenan knows about is Bruno and Bruiser's box office appeal. But Heenan will never accept that fact.

"I'm sure he'll find an excuse to knock it down," Bruiser assured. □

Valentine didn't realize it at the time, but that vengeance would cost him before this match would be over. Maybe Johnny was willing to risk everything anyway in order to get back at The Sheik.

No matter what Valentine said, The Sheik was saying absolutely nothing. He entered the arena and walked down the aisle with that same icy cold expression on his face.

He spread his prayer rug on the canvas and prayed to Allah. If the crowd was doing any praying, they were praying and hoping The Sheik would get his this time!

You could tell Valentine was dead serious. His intense look scared The Sheik right outside the ropes and onto the apron.

Finally The Sheik got brave enough to face Valentine again. As he darted under the ropes the referee motioned Johnny to stay away and give him a chance to get back in.

That was Valentine's mistake. He was watching the referee too closely. It gave The Sheik, who doesn't follow any rules except his own, the chance he wanted.

The Sheik got behind Valentine and attacked him. Then he dished out a vicious right to Johnny's jaw which floored him. With Valentine

flat on his back, The Sheik lost no time in attempting to choke him. When the choking and kicking continued, the referee ordered The Sheik off.

But Valentine was fuming now. He launched furious assaults against The Sheik, pounding him, punching, kicking, dropkicking, everything. Soon blood started gushing from Sheik's forehead. That wasn't enough for Valentine though.

All the resentment, anger and need for revenge that built up in that fire incident, in the resultant injuries, in the worry about whether he'd lose his sight, in the forced layoff from wrestling, and in the long hospital stay, had come to a boiling point.

Valentine was going to bring all that resentment, anger and need for revenge to its ultimate conclusion.

The Sheik was bleeding, but Val-

THE SHEIK (Continued from Page 62)

entire wasn't letting up at all. He continued beating the hell out of The Sheik. The wild Arab was swaying back and forth on his knees by now, virtually near collapse.

Johnny was involved in what he was doing to The Sheik, so involved that every time the referee tried to break it up, he shoved him aside.

With the Arabian close to collapse, Zulu jumped in to stop his Pal Valentine from murdering the Sheik.

Then came The Sheik's friends—the Gagnon brothers, Mike Loren, and one of the Mongols. At first it looked like their mission was to protect The Sheik. But it was quickly apparent they were more interested in taking apart Valentine.

Before the referee could order this contingent out, a new group came running in. Flying Fred Curry, Tony Marino and some friends jumped over the ropes and helped Valentine battle the invaders.

Within minutes it looked a Battle Royal, with nobody knowing who they were battling. Punches and kicks were flying all over the place.

Officials and police were called in and the canvas was cleared of all but Valentine and The Sheik. The referee announced the verdict — Johnny was disqualified for fail-

ing to heed the referee's instruction to stop his attack on The Sheik. What about Sheik's friends jumping into the melée? The officials said The Sheik was innocent!

Valentine didn't get the belt and he didn't even get the match. But it didn't really matter.

"I got my satisfaction and that's all that mattered to me," boasted Valentine. □

You Can Pay Me Now Or... You Can Pay Howard Hughes Later... and you'll pay Hughes and his friends a helluva lot more!!!

If you ever intended to step inside a gambling casino then reading this book, **HOW TO WIN AT WEEKEND BLACKJACK** by Stanley Roberts, is a must. Your fortune, your ego and your personal welfare are at stake.

Howard Hughes, Barron Hilton, Del Webb and other casino owners have been taking money from the gambling public for years. Preying upon human frailties, emotions, inadequacies and plain ignorance, these tycoons have been separating people from their money... and making them like it. Yes, to most people who vacation at a gambling resort winning is only a faint hope. They expect to lose... and you can bet they do. **But they don't have to!!!**

Gambling Casinos make their money on games of CHANCE by paying LESS than the correct odds on EVERY bet you make. This is called the house "edge" or "vigorous". Unlike the other casino banked games, such as Craps, Roulette, Keno and the Slots, **Blackjack or "21" is not a game of chance, but a game of SKILL.** In spite of this the house still collects its edge in this game because better than 99% of those who play know very little about the game... even though many think that they do.

EVERY CASINO IN THE WORLD— YOUR PRIVATE BANK ACCOUNT

A small group of skilled players has been carefully making withdrawals from the Blackjack tables around the world. Using the information presented in this book they have been building their bankrolls at the expense of the other 99+% of the players who are "casino marks", "suckers" if you will. These losers play "21" as if it were a game of chance... and it is, for them... and naturally they lose.

You can be one of the winners. Blackjack can be beaten by a skilled player. This information will make you one of the Best Blackjack Players in the World... and it's very easy to learn. Amaze your friends and family with your skills and new found wealth. Challenge and defeat the skeptics... they will beg you to teach them how. Let them play the role of the house and you'll clean them out... everytime.

WHAT YOU WILL DISCOVER INSIDE THIS BOOK

- Where you can go... **AROUND THE WORLD**... to play this fascinating game at the casinos' expense.
- The rules and variations of Casino Blackjack... what are the differences in the game... why the object is NOT to get "21", but to **BEAT THE DEALER!!!**
- The Winning Strategy in simple form... no complex mathematics... no calculations to perform. Learn it in 2 hours or less. Just 24 simple rules summarized on **ONE SHEET** of paper.
- How multi-deck games vary from the single deck game... How you can beat them all.
- The all-important Art of Casino Play... why no system will do you any good if you are cheated or barred... How to know the inside secrets to avoid and

prevent these occurrences.

- The Casinos... where to play and where NOT to play.
- The Dealers... how and why they may cheat... how they cheat the house.
- Players who cheat and how they do it.
- Bankrolling your play... how much you need... where to get it...

A Super Bonus section on how to collect an additional \$50 per day **FREE/EVERY DAY.** These are but a few of the facts you will learn that will make **YOU** a **WINNER** every time you play.

WE'LL MAKE YOU AN OFFER YOU CAN'T REFUSE

We are going to make you an incredible offer that every reasonably intelligent person who will ever step inside a gambling casino again must accept. We are going to give you **DOUBLE YOUR MONEY BACK** even though you'll love the book. With your order we will give you double your \$20 back in Las Vegas Cash and Lucky Bucks for your next trip. In addition, there are Hundreds of Dollars in **FREE** food, drinks, gifts and souvenirs for your Las Vegas trip within the year. These bonuses have been supplied by our business associates who promote casinos in Las Vegas. Casinos will not know you have a copy of **HOW TO WIN AT WEEKEND BLACKJACK.**

WHAT PEOPLE ARE SAYING ABOUT THIS BOOK

"The newest and best book on the subject I've read. Used correctly it really works." **GAVIN MACLEOD, "Murray" of the Mary Tyler Moore Show** "I am 74 years young and terribly excited. Our senior citizens group has been going to Las Vegas for several years and no one ever won anything. What a marvelously exciting feeling to be a winner... all the girls were so thrilled they just won't stop asking me how I did it." **MRS. MAE W., Long Beach, CA.**

"I've tried all the other systems and they didn't work or I just couldn't use them. Who said nobody couldn't make an easy Blackjack system that works. They sure haven't seen yours do it." **J. P., Reno, Nev.** "Man-Oh-Man! I wish I'd read Stanley Roberts book a long time ago." **BILL HAYES, star of daytime television, "Days of Our Lives."** "Many of my friends in show business have earned fantastic fees for playing places like Las Vegas, only to lose most of it on the gambling tables. Thanks to this book, they can not only save their fees, but get their losses back, **WITH INTEREST!** I wish everyone who plays Vegas reads this book." **ALDO RAY, star of stage, screen and television** "The last two summers in Reno with the Army Reserve I sure lost a bundle. This summer was different. I made over twenty times the cost of the book in two weeks of casual, after hours, play." **MAJOR JOHN P., Granada Hills, CA.**

"The most concise and easiest to understand book on the subject I've read. If you've liked playing Blackjack before, you'll love it now." **JED ALLEN, Host of TV's Celebrity Bowling.**

ABOUT THE AUTHOR

The author, Stanley Roberts, is a licensed Architect, Real Estate Broker and a City Planning Consultant. With the aid of a computer, he figured out how to beat the tables in Las Vegas to raise the capital to build his own buildings. Now, successfully engaged in three businesses, which earn several times the \$500/day practical limit for a professional Blackjack player, he has released his secrets for the general public's use.

He has been barred from playing "21" in several casinos in Nevada. Well known casino owners Howard Hughes, Barron Hilton, Major Riddle, Benny Binion, Sam Boyd and Del Webb have refused him play when challenged publicly to a \$3000 match game... in their casinos, according to their rules. The same game that any person walking into the casino receives. These owners know that he could own their casinos within a year if they would permit him to play.

Mounting public interest in the book has resulted in numerous Radio and Television appearances by the author including: **To Tell The Truth** with Gary Moore, **Midday Live**—NY with Lee Leonard and Billy Eckstine, **The Joe Franklin Show**—NY, **Ralph Story's AM**—Los Angeles, **Target** with Regis Philbin—Los Angeles, **The Joe Delaney Show**—Las Vegas, **The Helen Estrada Show**—Las Vegas and many more.
